On the founding of our school in nineteen hundred and sixty-eight there were many goals and dreams put forth. However, things of great value are not easily obtained. Yet we have this consolation with us, that the harder the conflict, the more glorious the triumph. What we obtain too cheap, we esteem too lightly: it is dearness only that gives everything its value. If we care enough about our school we can help the future graduates of Thomas Jefferson High School obtain their goals and dreams. We have built a strong foundation for our school and it is only the people that remain and those of the future that can keep our school strong and spirited. If we lose our spirit or strong will our school will crumble at our feet. We the graduates of nineteen hundred and seventy-eight are asking all future graduates to maintain high standards and reveal the pride that has always lived within our school.

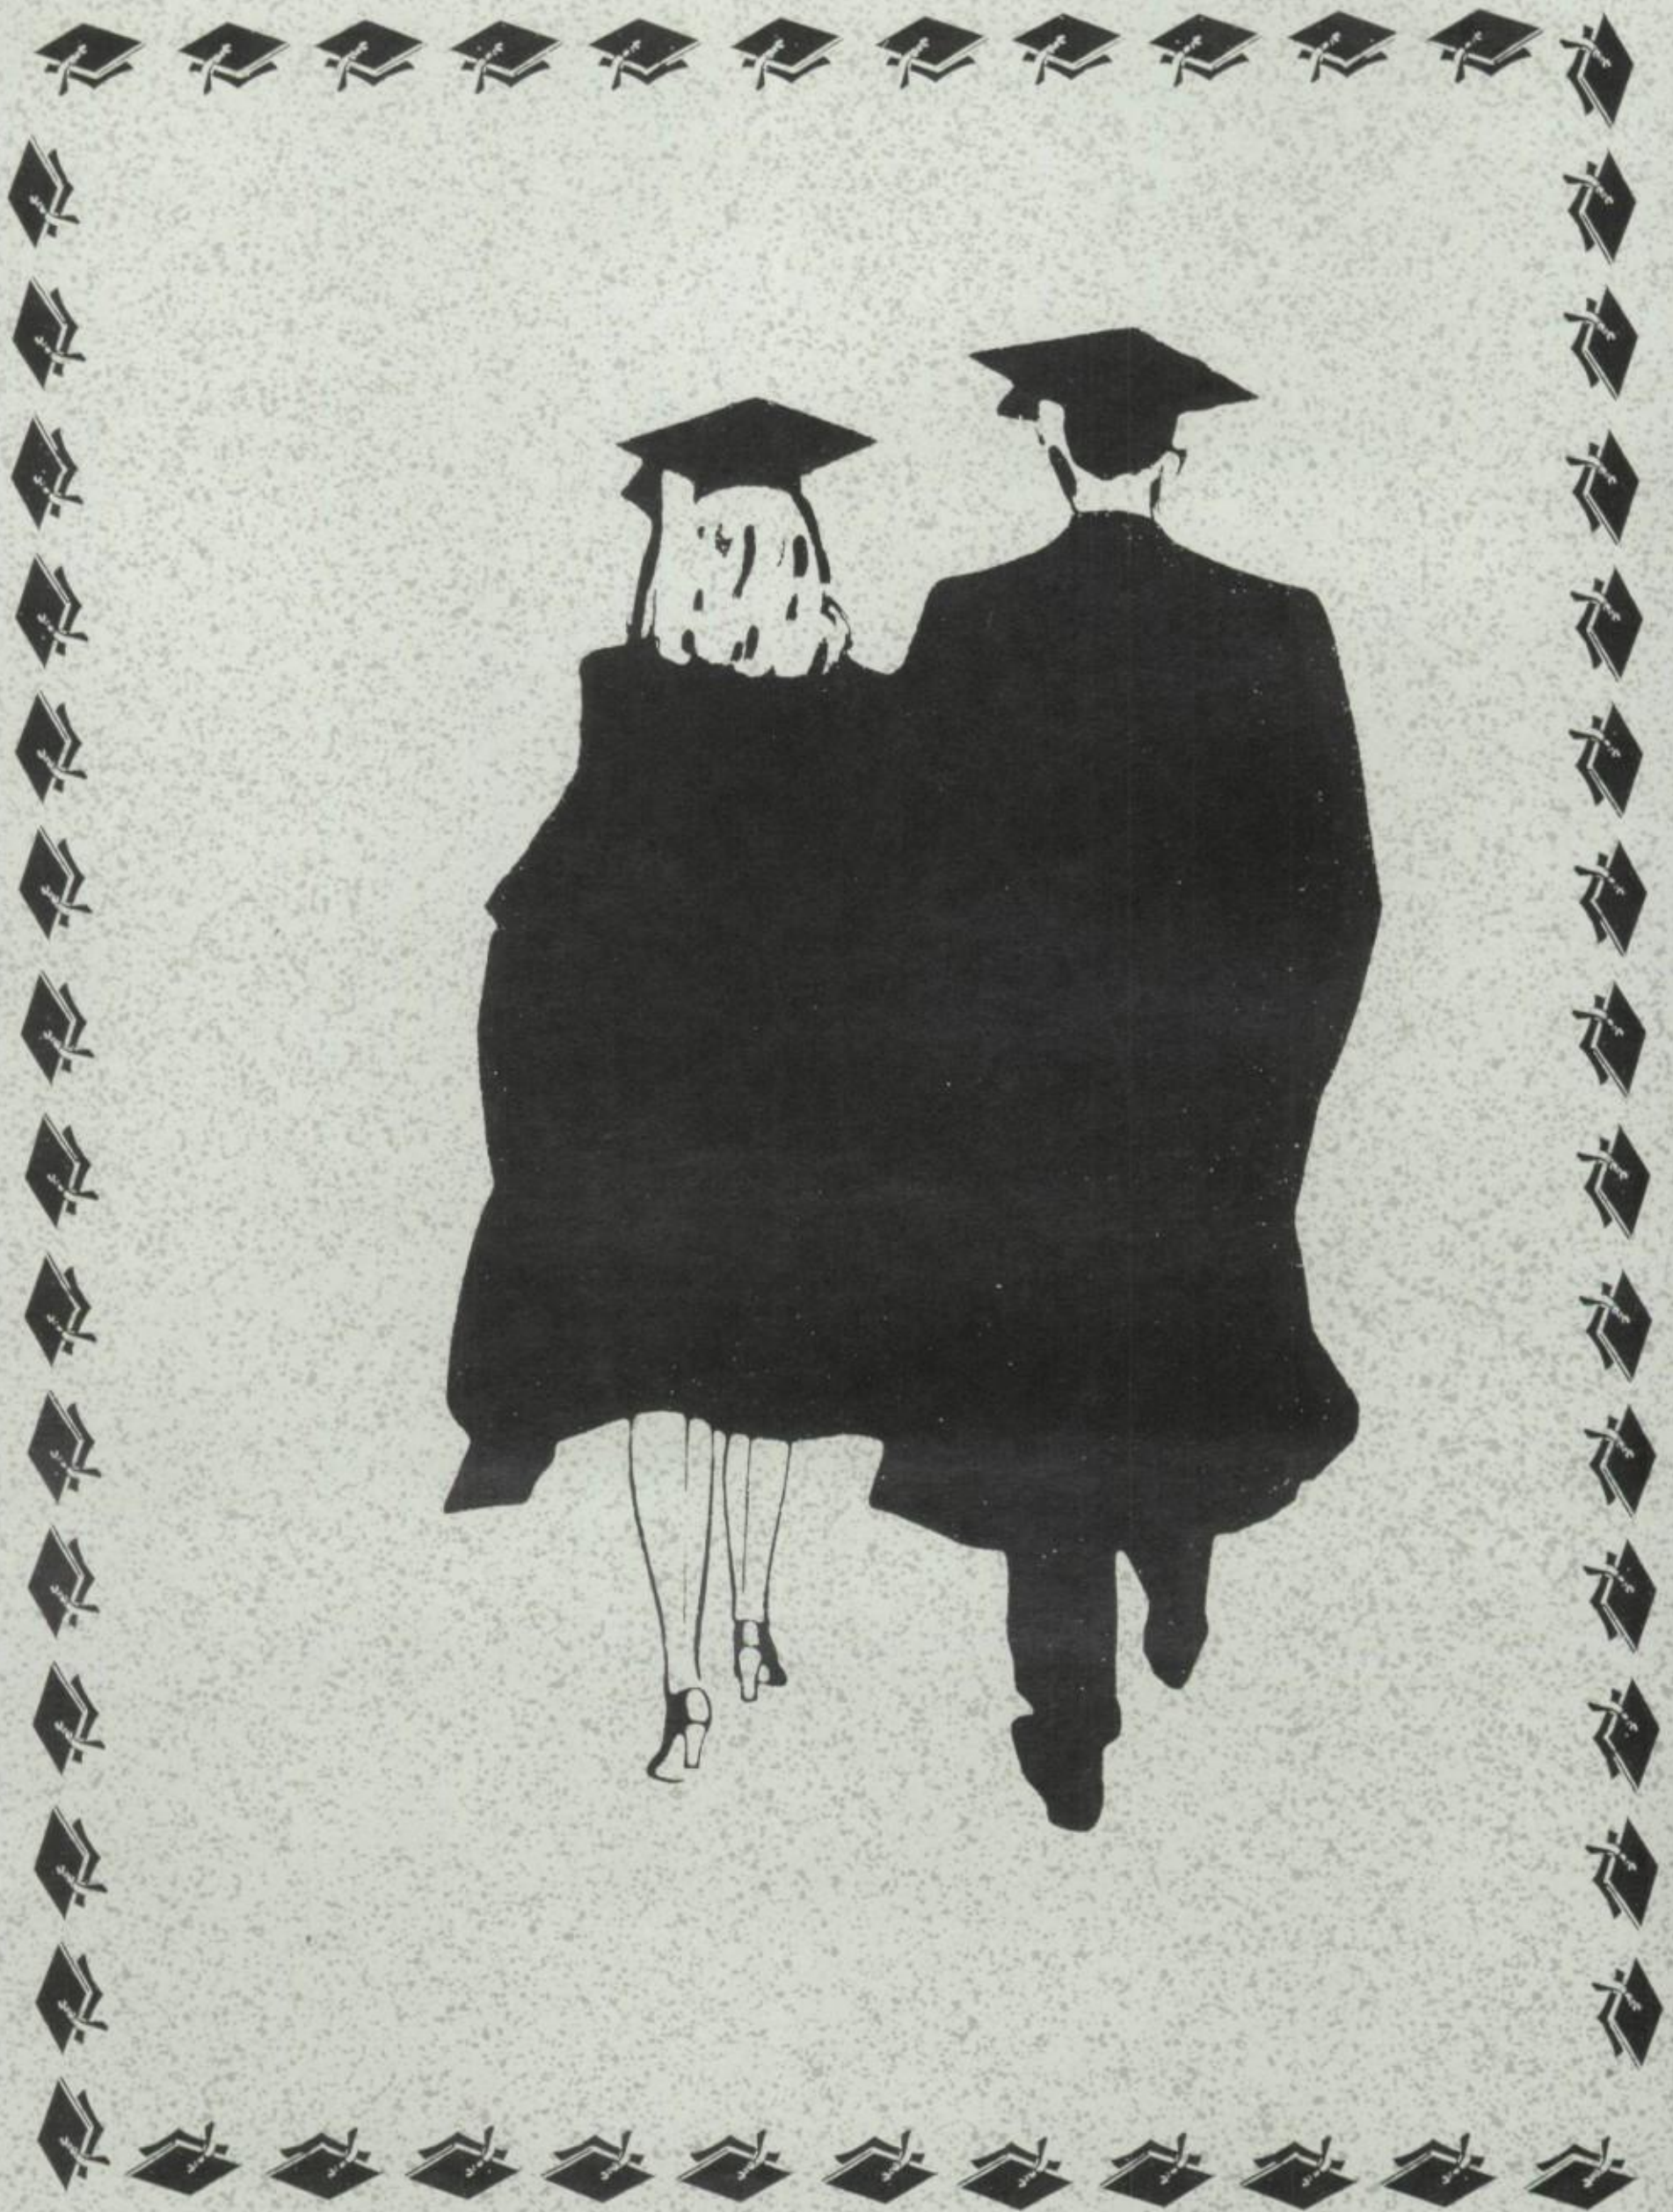

Thank-you,

The class of nineteen seventy-eight.

I met my old lover on the  
street last night She  
seemed so glad to see  
me, I just smiled.

And we talked about some old times and we drank ourselves  
some beers.

I'm not the kind of man who tends to socialize

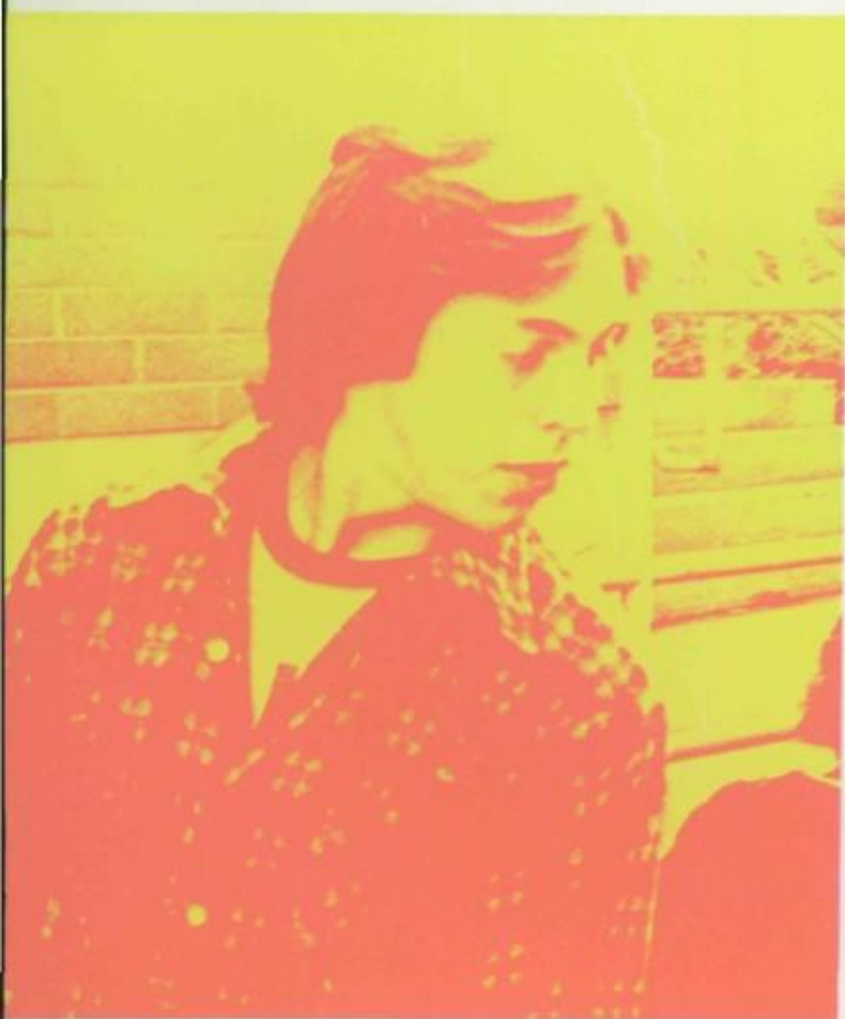

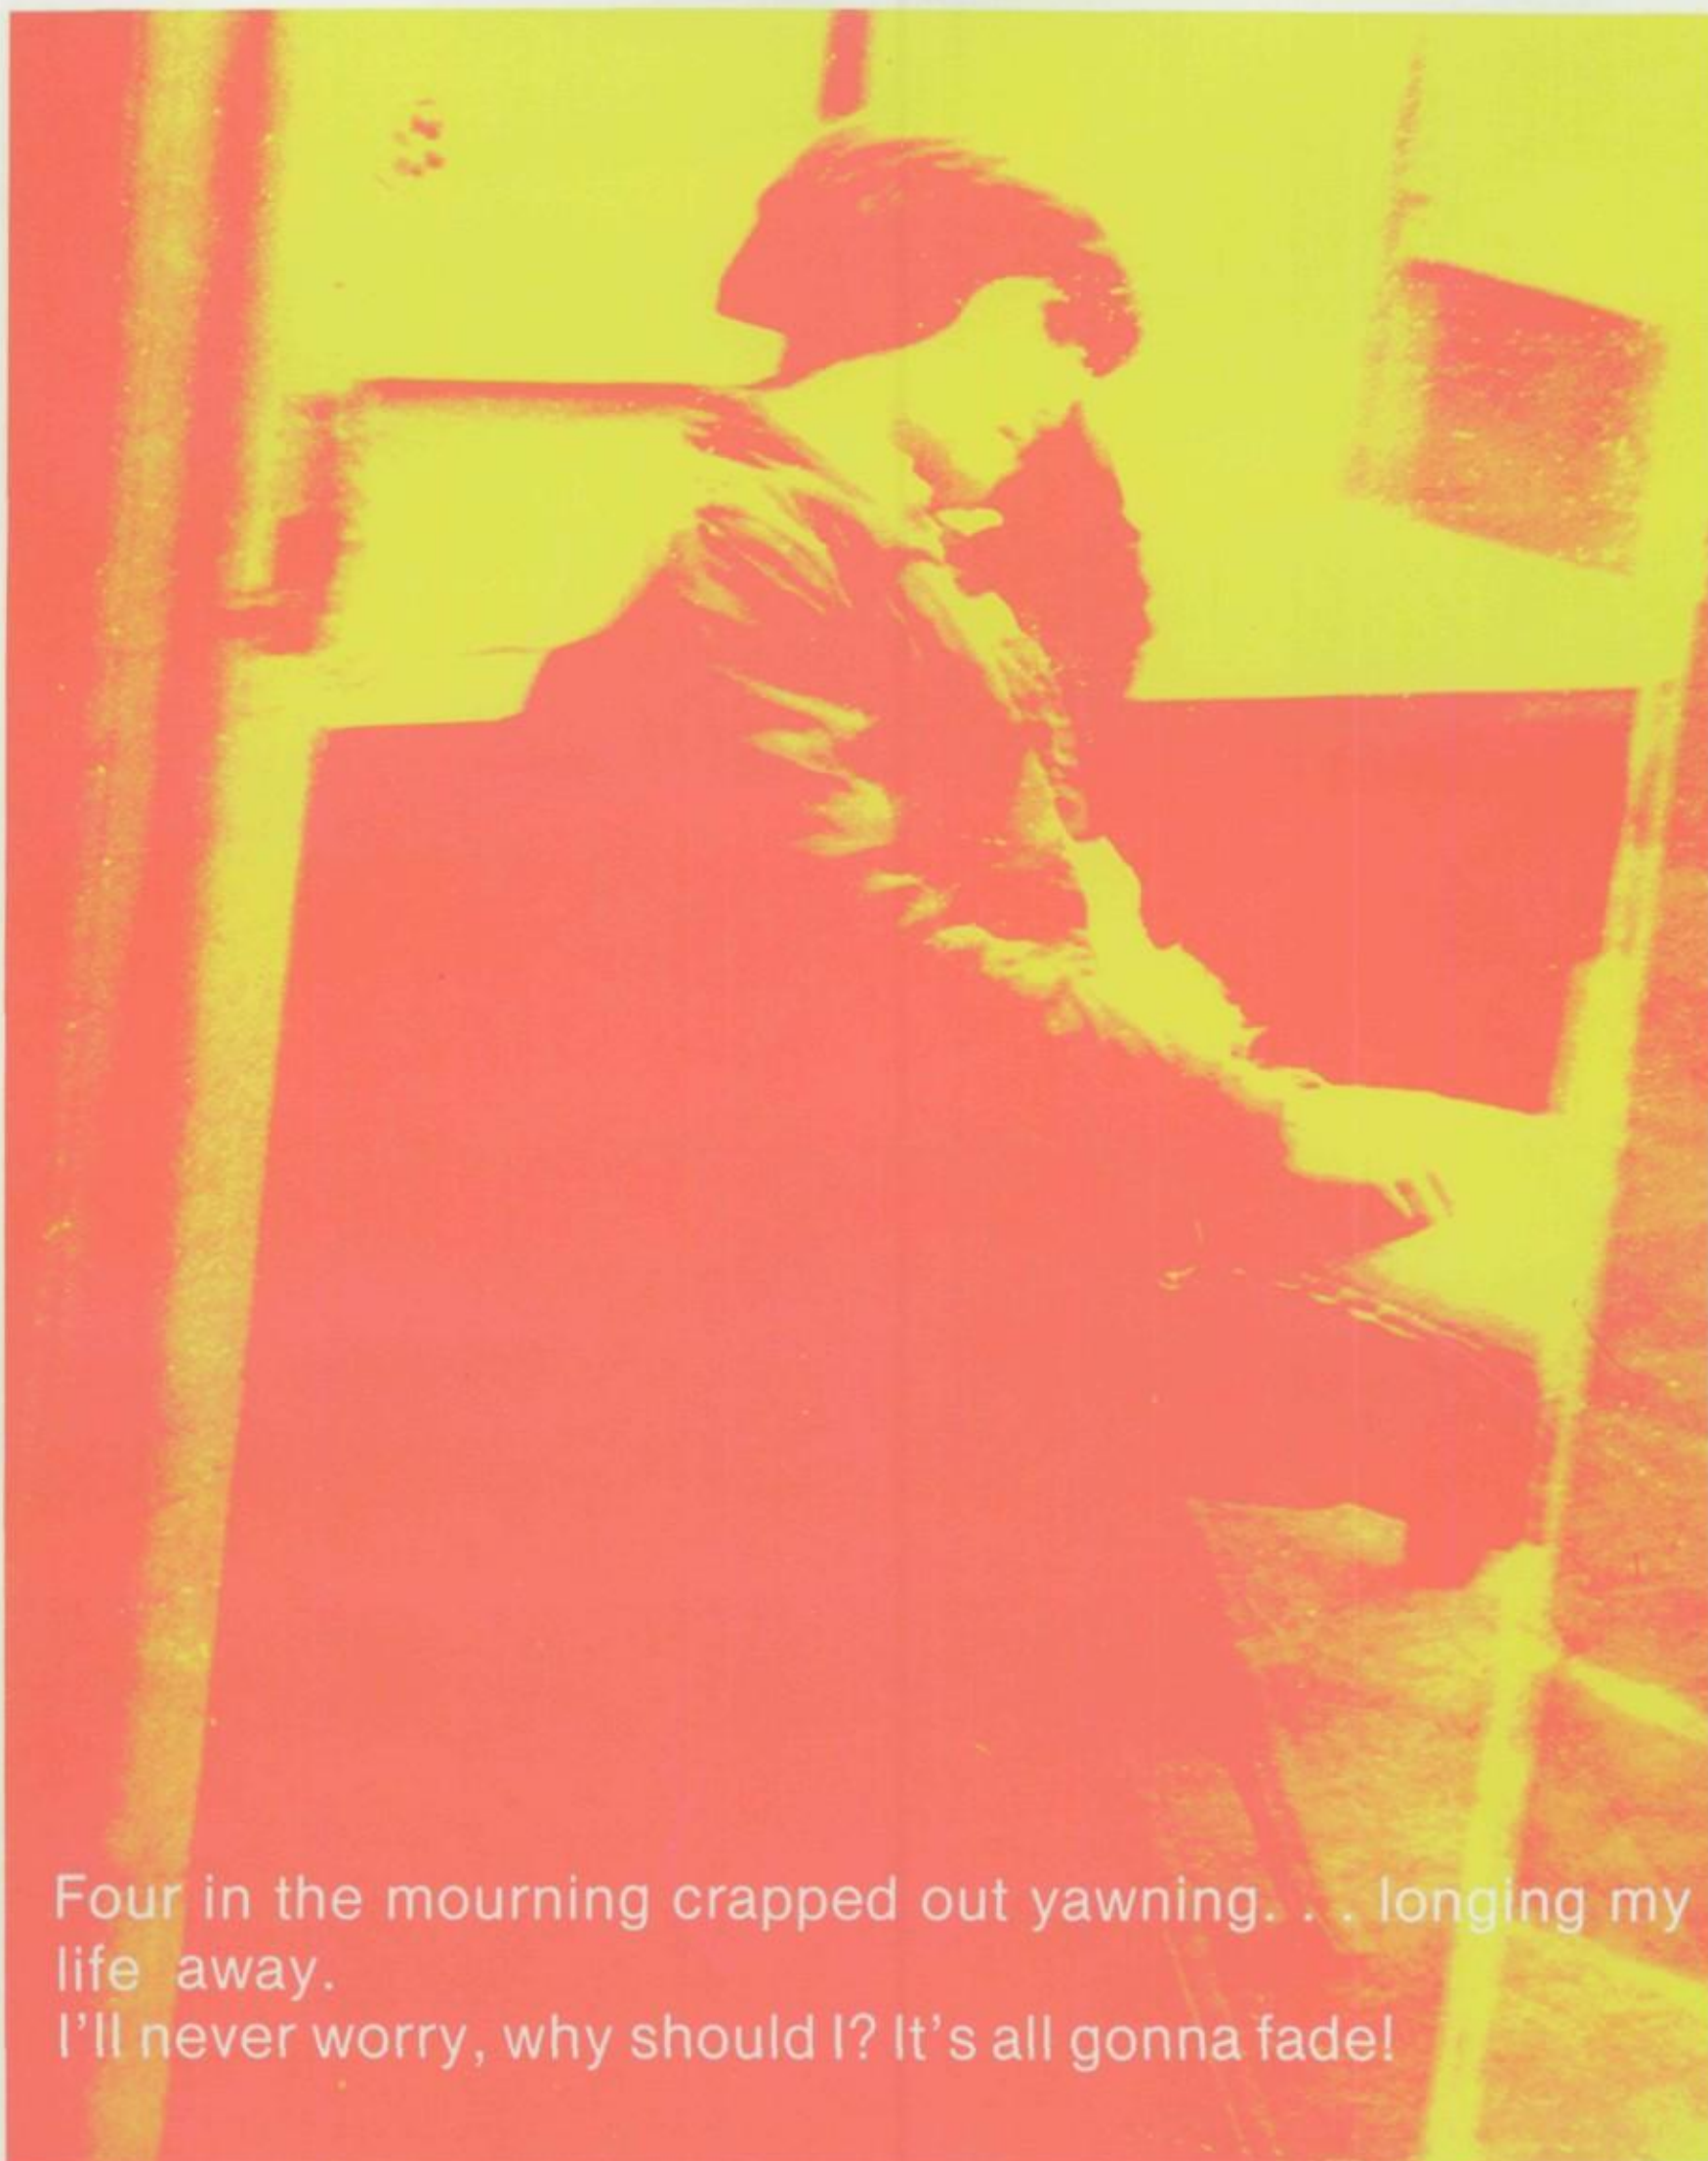

I seem to lean on old familiar ways  
And I ain't no fool for love songs, that whisper in my ears.

Four in the mourning crapped out yawning. . . longing my  
life away.  
I'll never worry, why should I? It's all gonna fade!

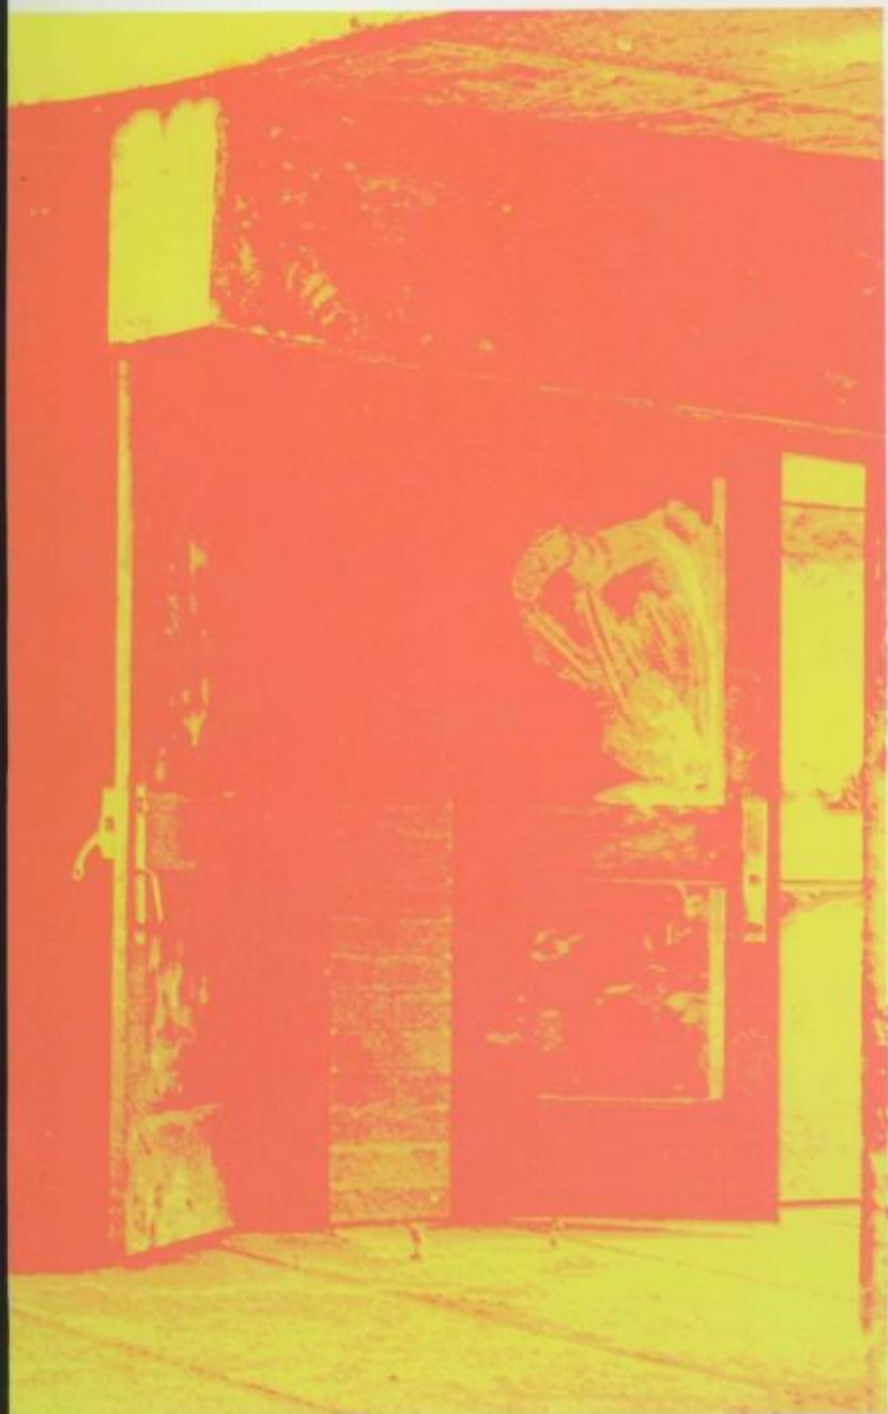

Now I sit by my window and I watch the cars.  
I fear I'll do some damage one fine day.

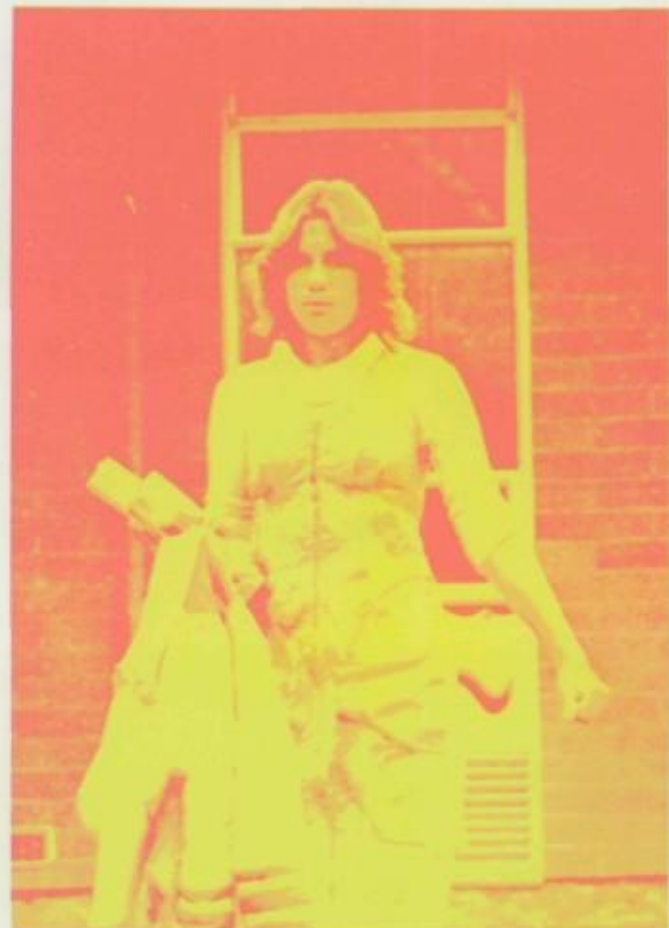

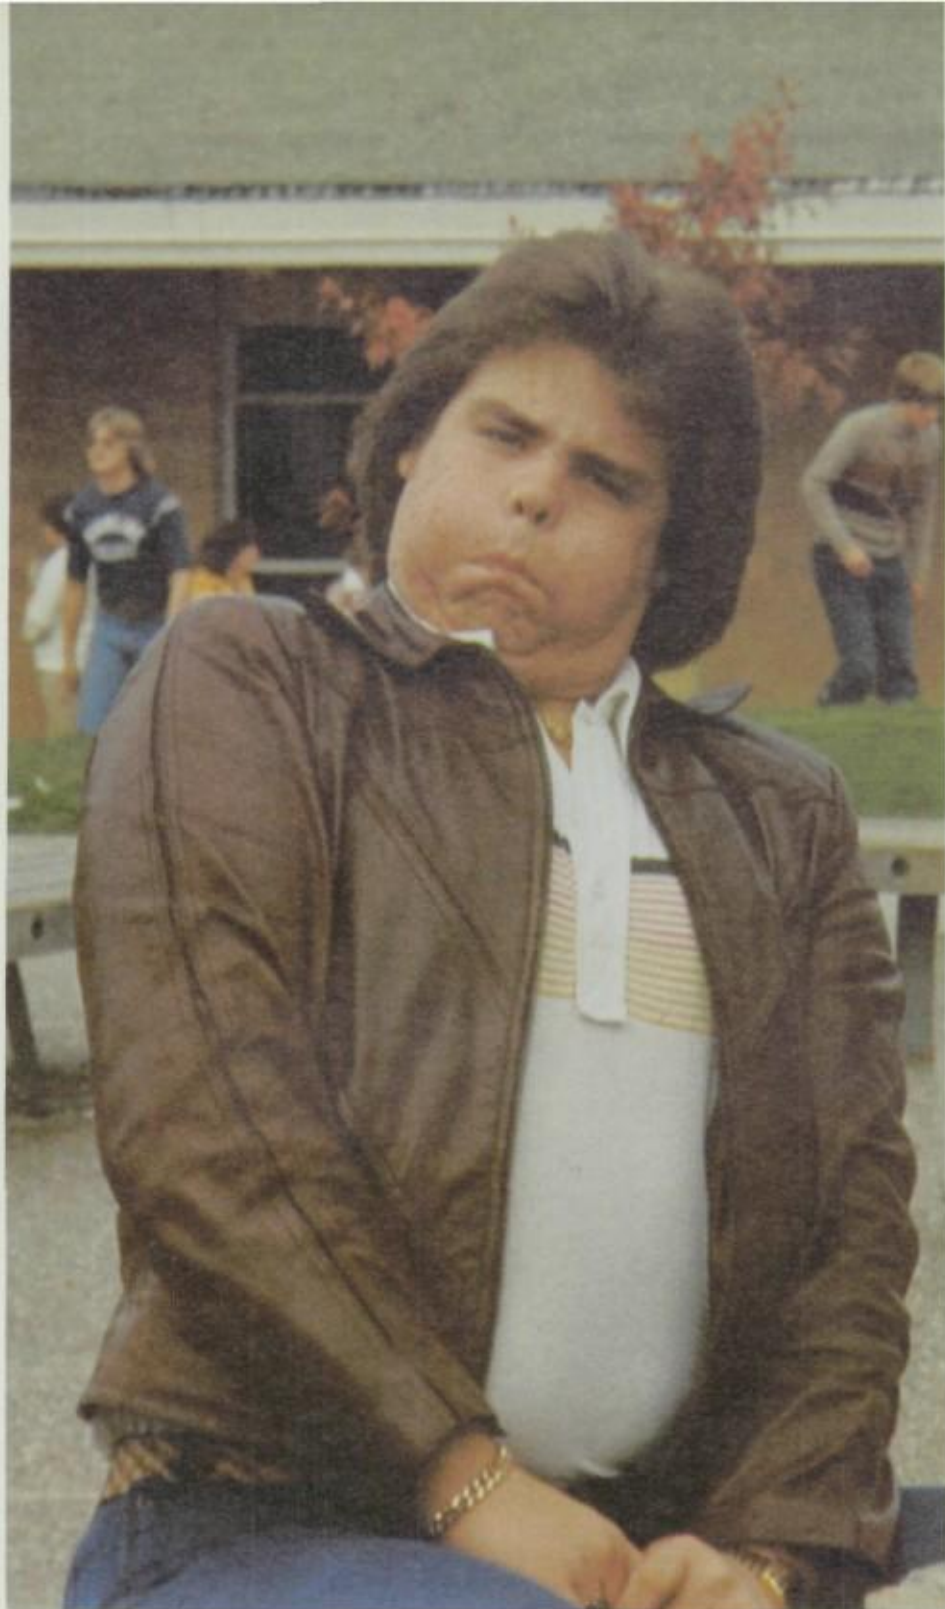

But I would not be convicted  
by a jury of my peers.

Still Crazy after all  
these years

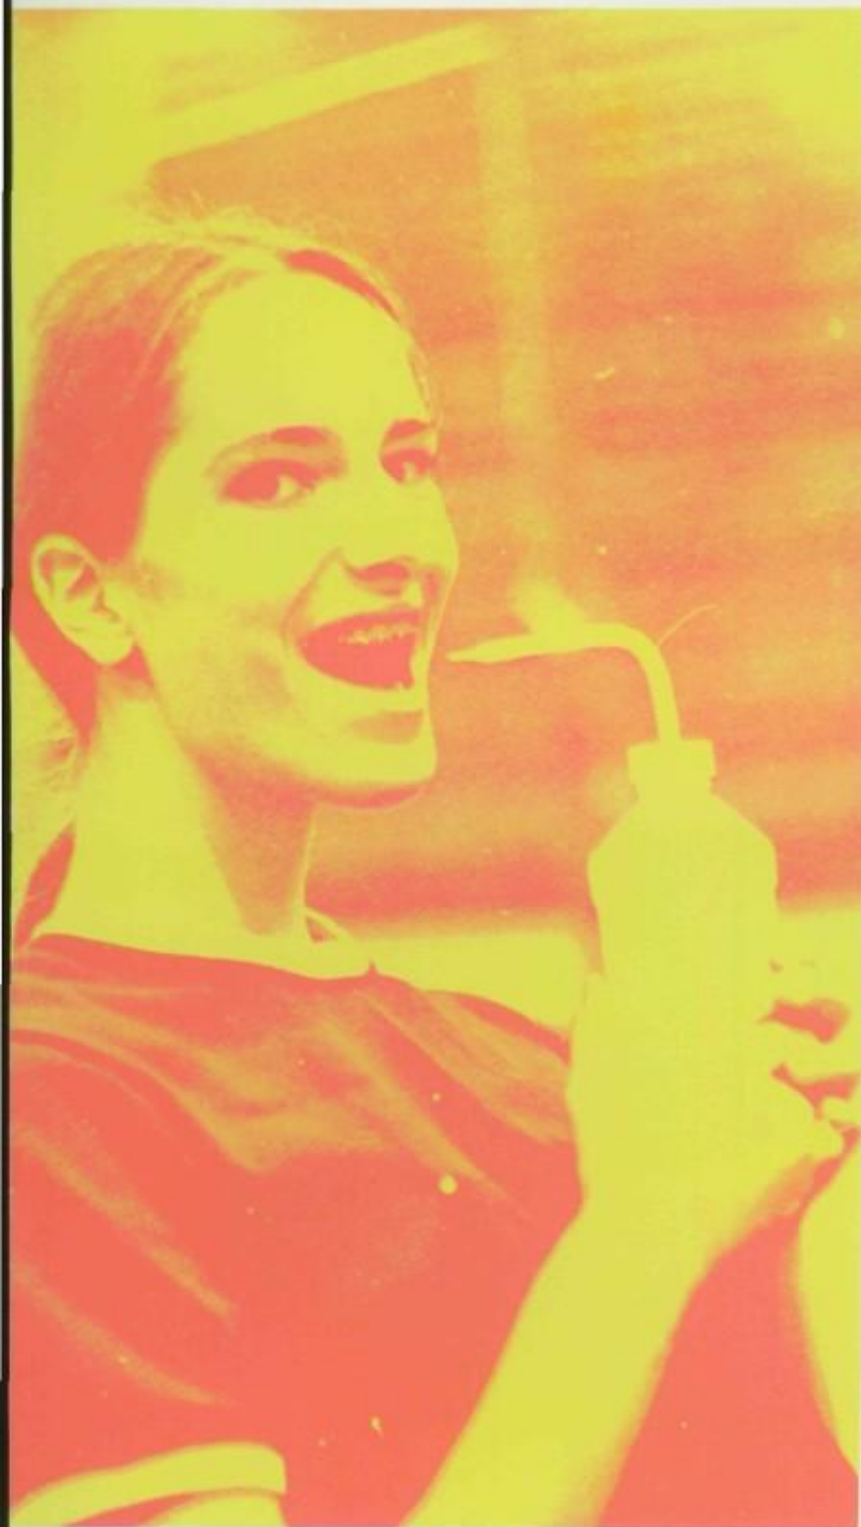

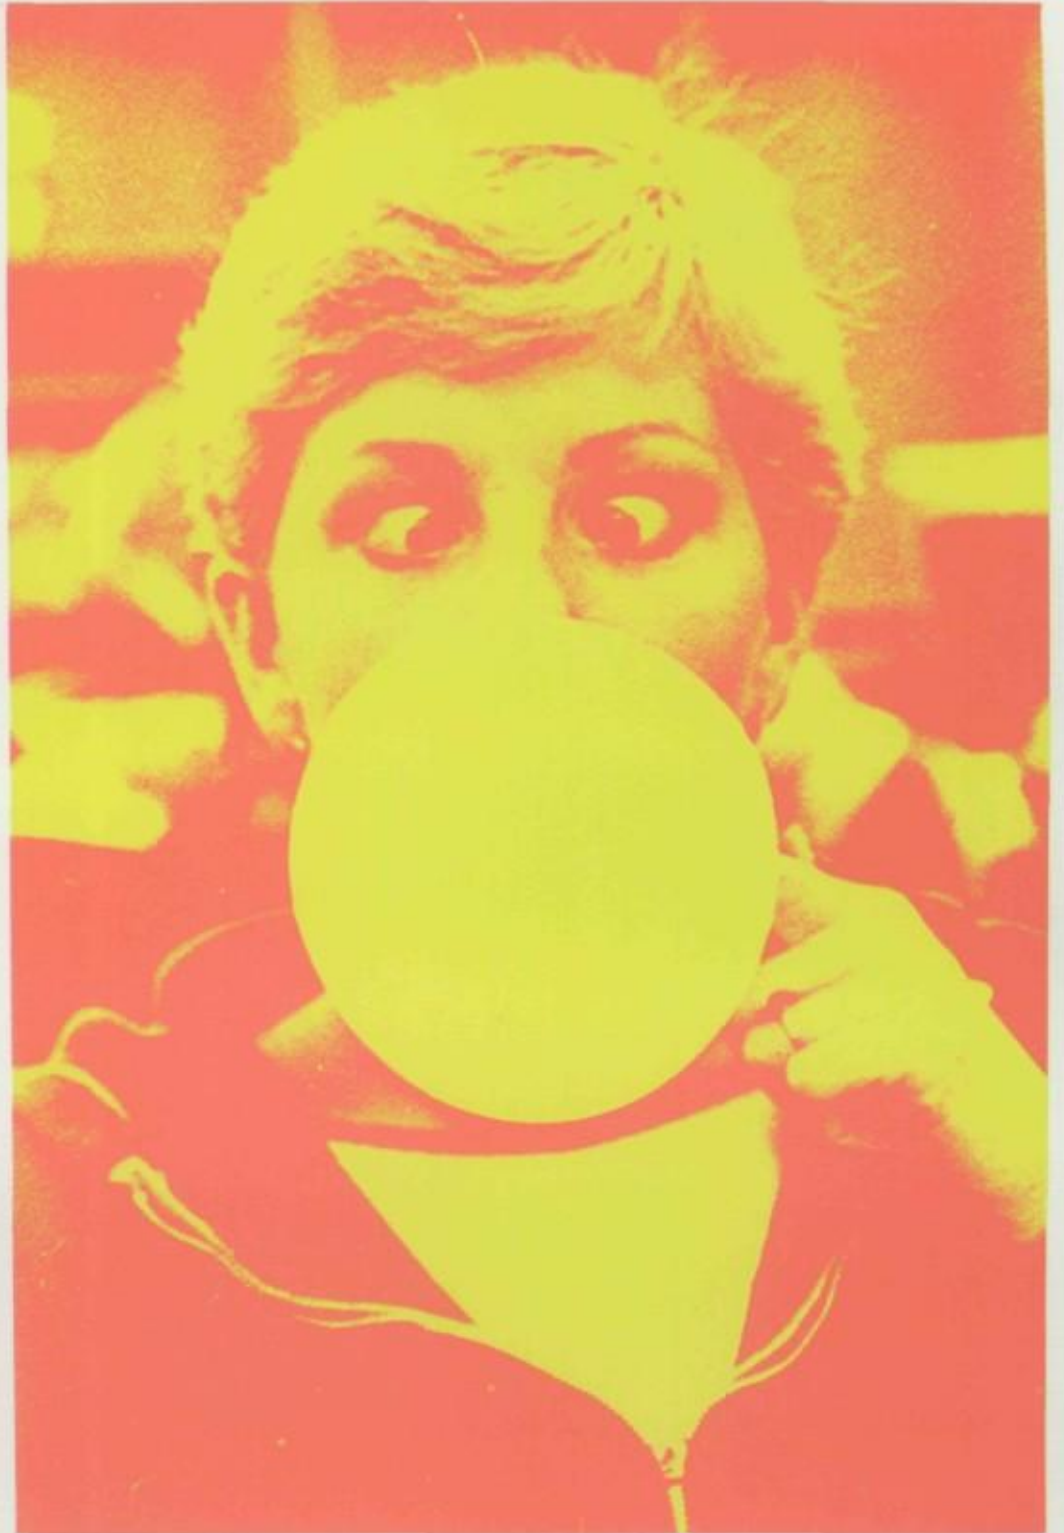

Still Crazy after all  
these years

Still Crazy after all  
these years

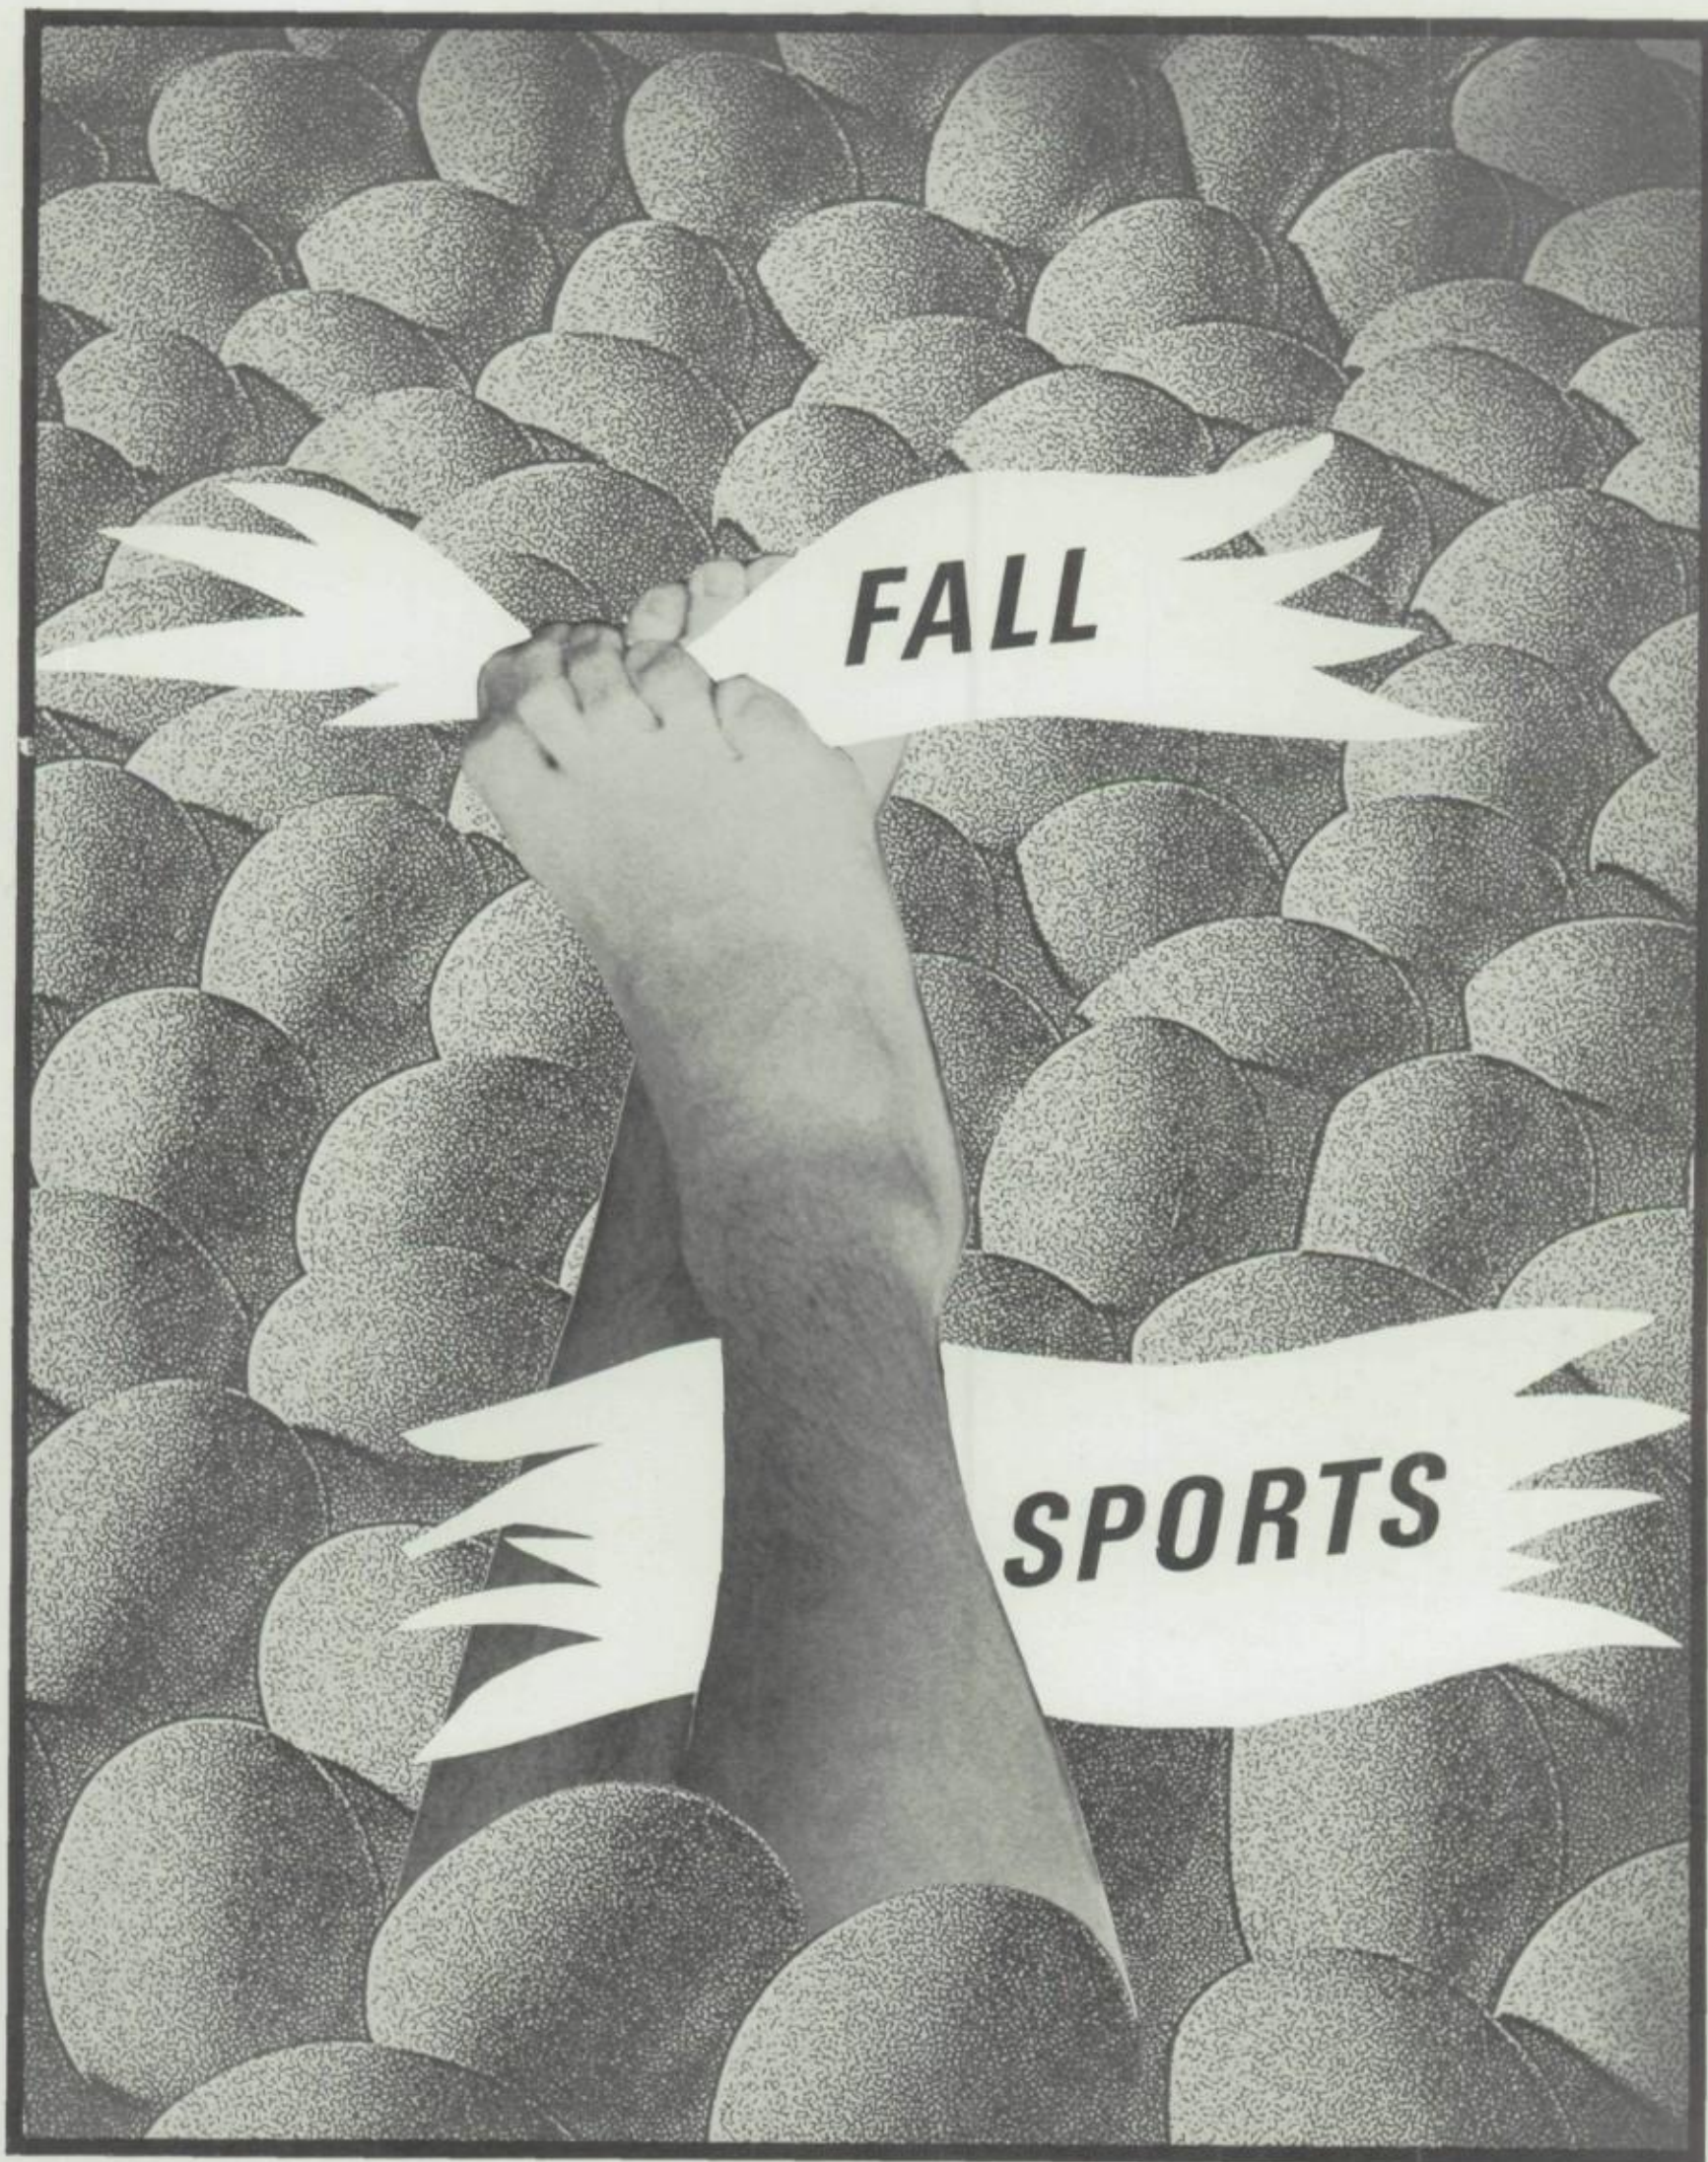

We're rough, we're tough, we're looking fine—  
the Junior Class of Seventy-nine

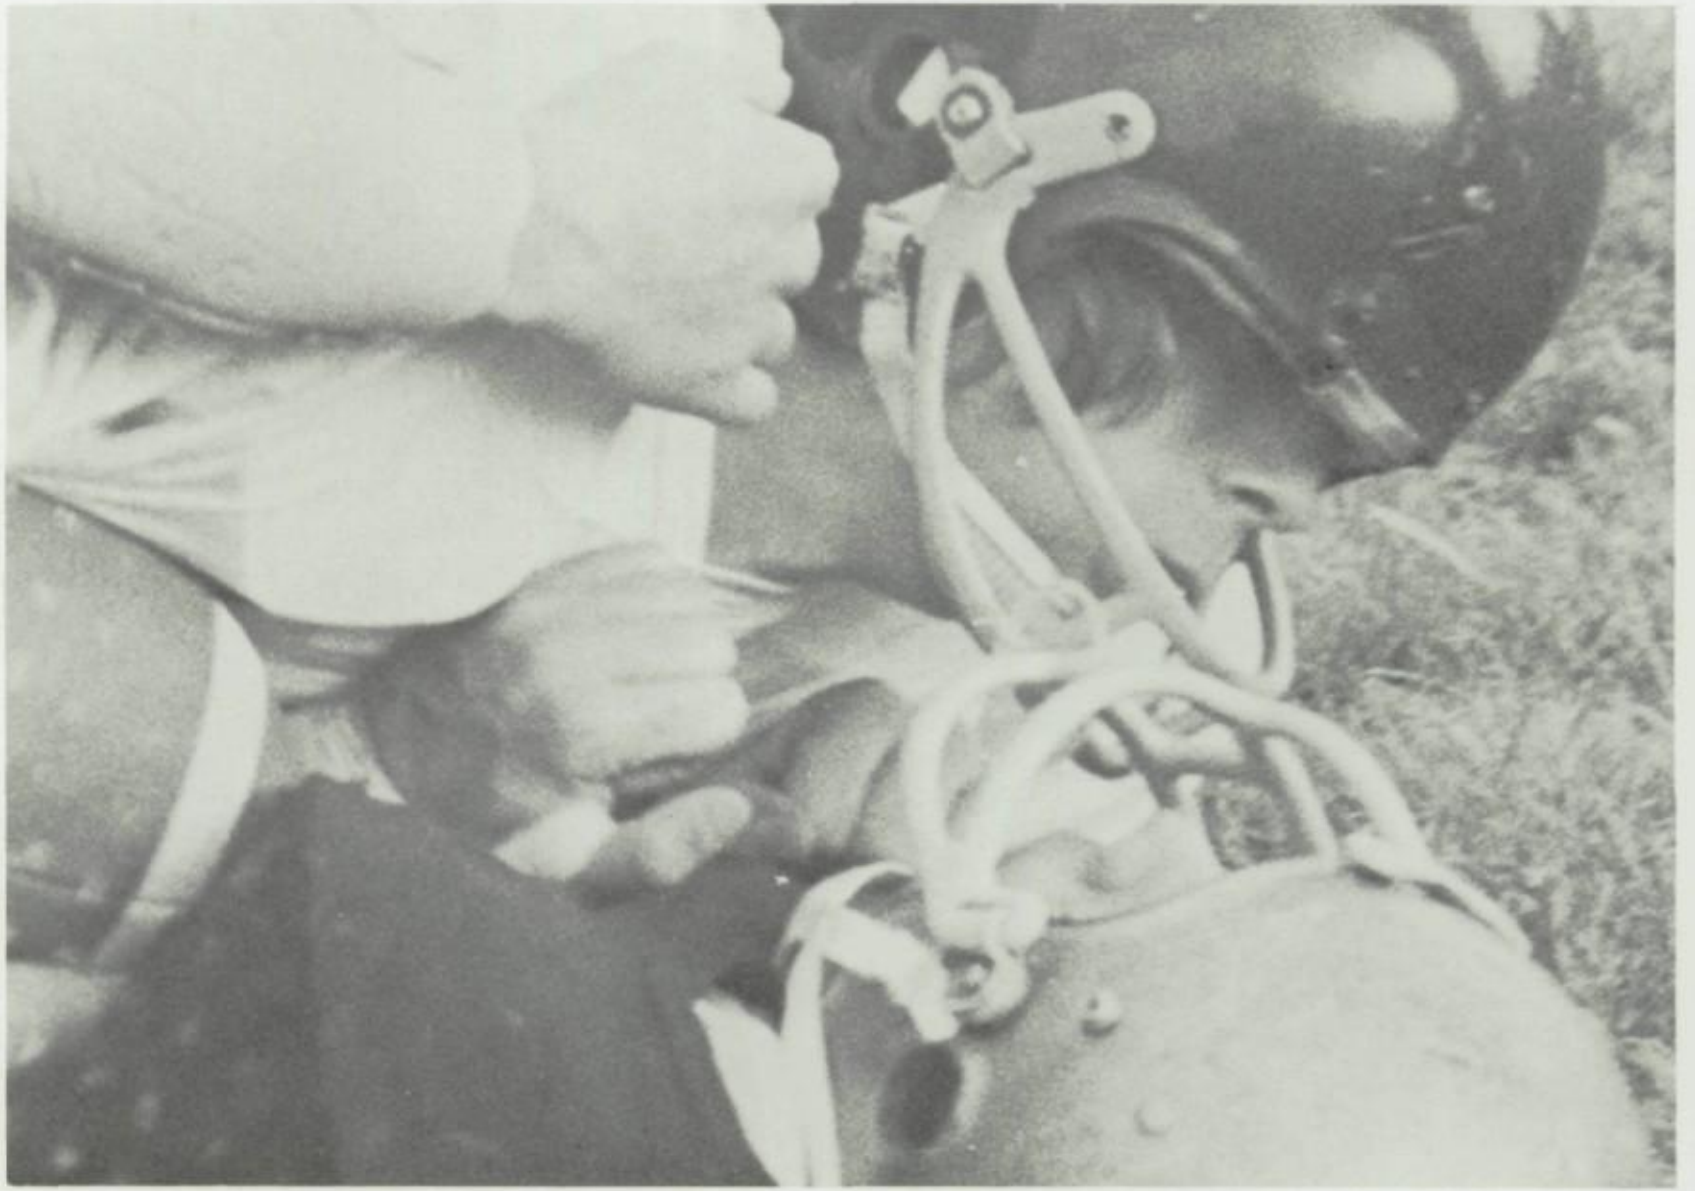

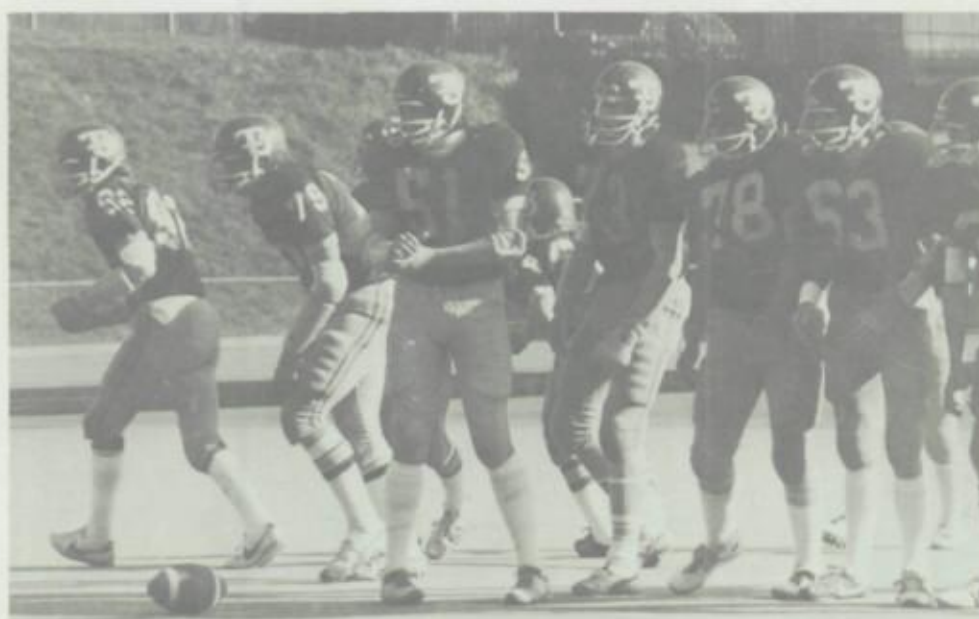

Losing season, but great spirit!

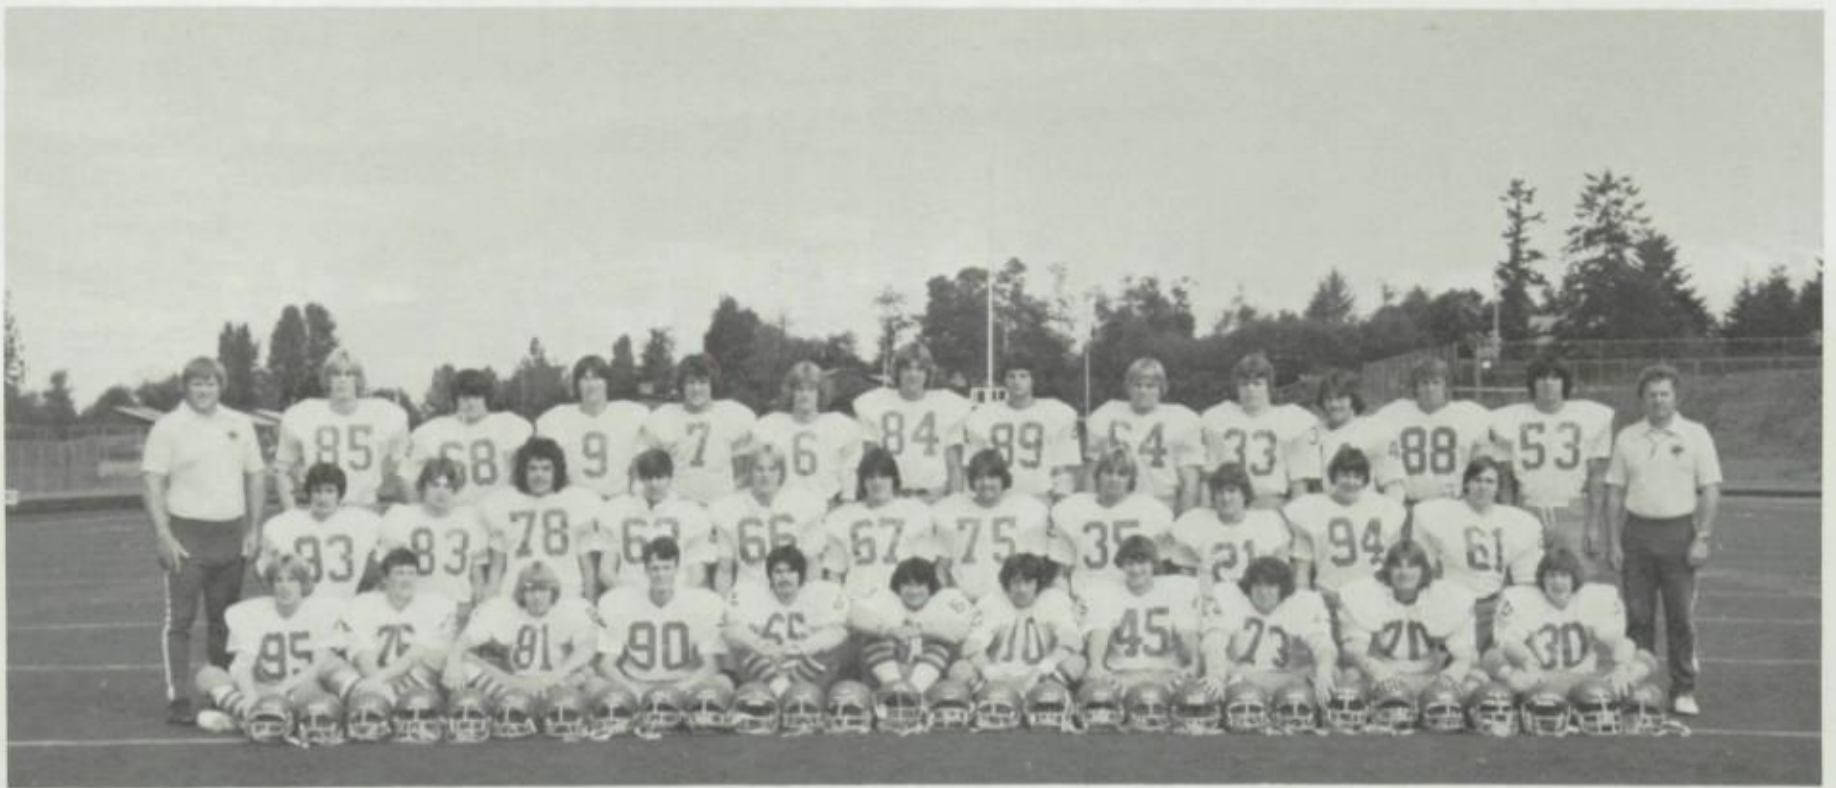

The Junior Varsity Football team, which contained mostly new players, began this year's season with a late start. Although the players didn't win all of their games, they had plenty of spirit and ambition behind them. The team finished off the season with a 5-0 record. Coach Burger believes that next year the season will be better now that the players have experience behind them.

# Raiders Stand United — Smash Eagles and Gators

Strong passing proved helpful when the Raiders beat the Decatur Gators 27 to 13. This was a strong game all around, as the team came out with its best statistics. Size was the main difficulty of the Raiders. There were few players that had the size or weight to move the ball around. This didn't seem to be a problem, though, as the Raiders walked over the Federal Way Eagles, 21-14, in the final game of the season.

The 1977 football season, with head coach Jim Gard and assistant coaches Ron Burger and Pat Sencenbaugh, was highlighted by tough individuals with a strong desire to play. Team members have developed friendship and respect for their teammates and coaches that will never be lost.

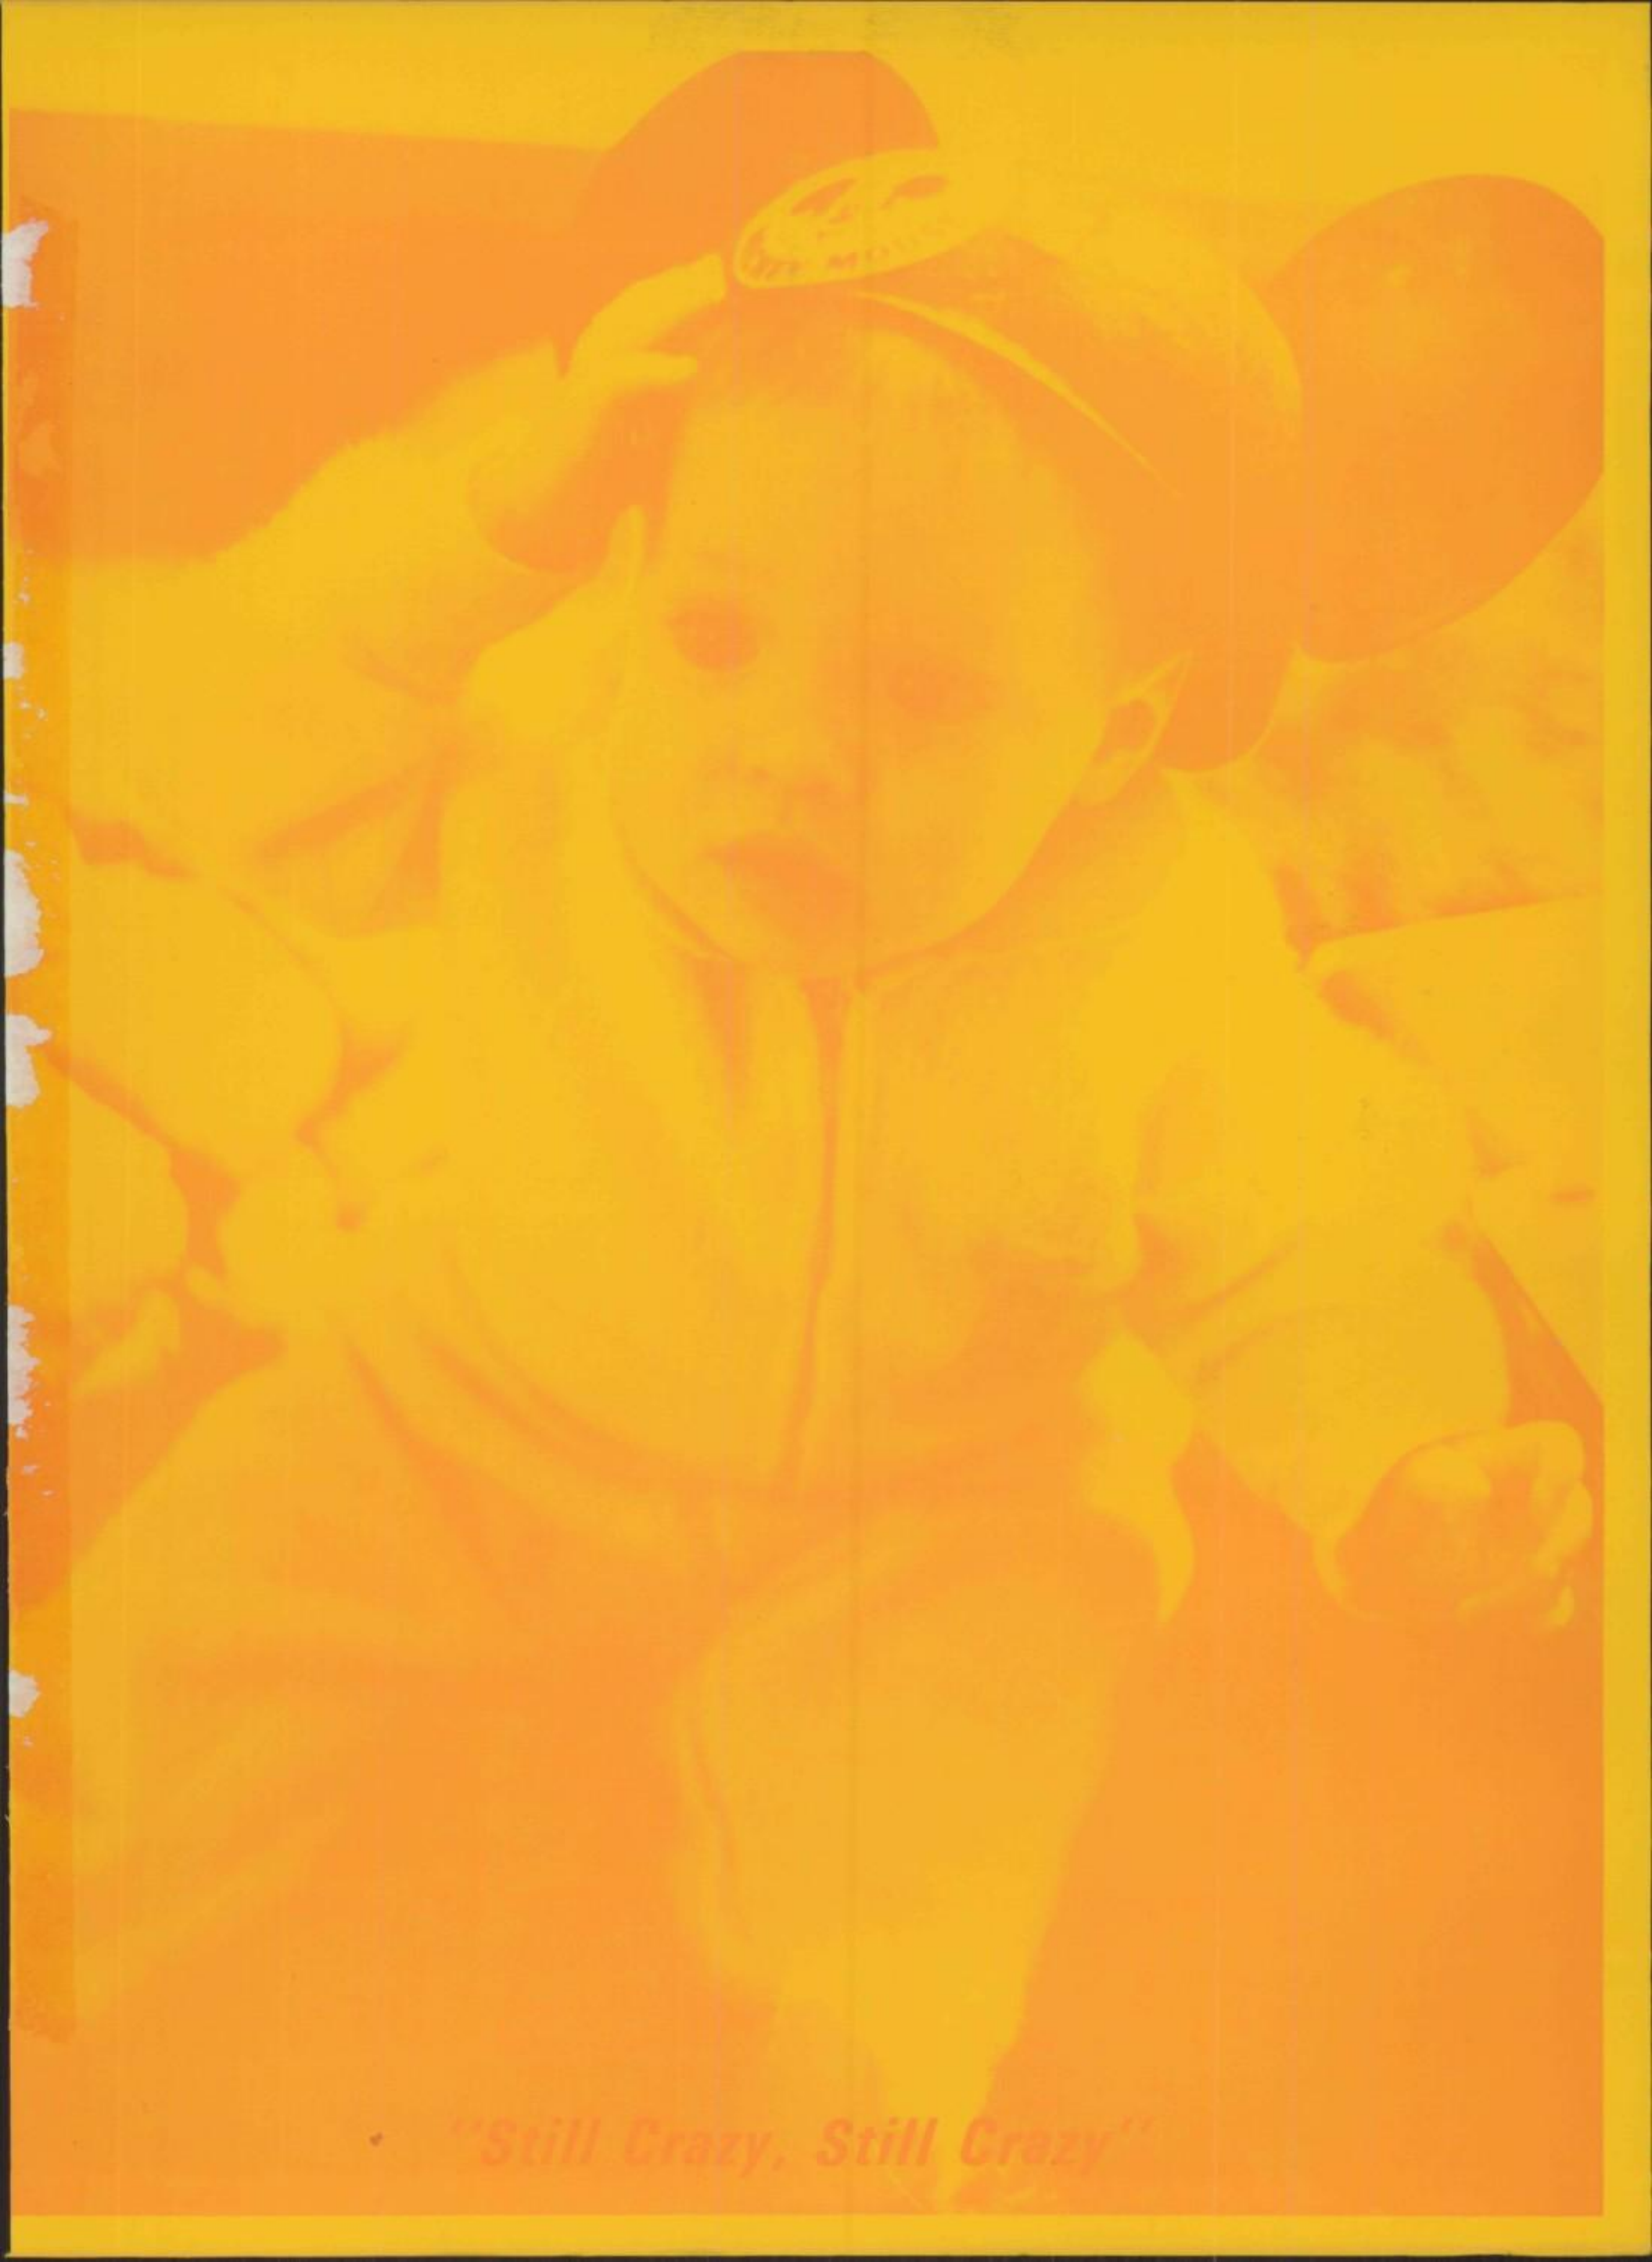

Football season brought a unity that was felt all over the school. Spirit never died even though hopes for a winning season were lost. Defensive back Mike McCauley, tackle Wade Williams, and Bryan Ross were essential factors in the strong defensive game against Sumner. The Raiders only allowed the AAA State Champs 6 points. After seven games Bryan Ross was the 6th leading scorer in the South Puget Sound League.

# Raider Rackets Have 500 Season

"Considering the playing and coaching experience we started with, I thought we did pretty good," commented coach of the girls Tennis team, Joe Gotchy. The team ended their season with a 5-6 record, but what's more important, with a lot of enthusiasm! Tennis is a game of concentration and usually silence, but with Shelly Morrison and Patty Manning around, that was nearly impossible. Throughout the season, Char Levack and Ann Kennedy proved to be the top singles

players. They also played as a doubles team in the tournament at the end of the season. The 1977 Girls Tennis Team is pictured below, from left to right, in the top row: Char Levack, Lisa McEachern, Sally Peluso, Shelly Morrison, Terri Weimar, Patty Manning, Coach Joe Gotchy; bottom row: Mary Lowndes, Chris Pierce, Wendy Pond, Ann Kennedy, Kim Callihan, and Lauri Lindblad. Not pictured are Kim and Kathy Tanta.

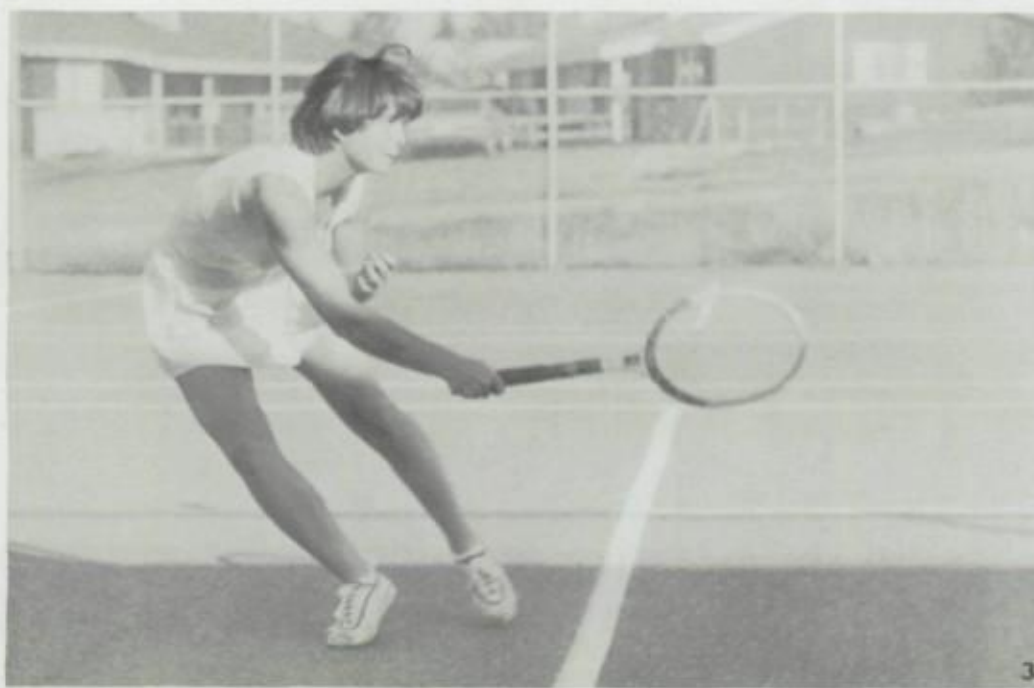

1. Wendy Pond — Get that tongue back in your mouth. 2. Kim Callihan — "Hey, are you over there?" 3. Don't fall, Ann! 4. Sally Peluso — What a shot! 5. Terri Weimar — ACE! 6. Kim Tanta — "Oh no! What if I miss?"

# Close Only Counts In Horseshoes

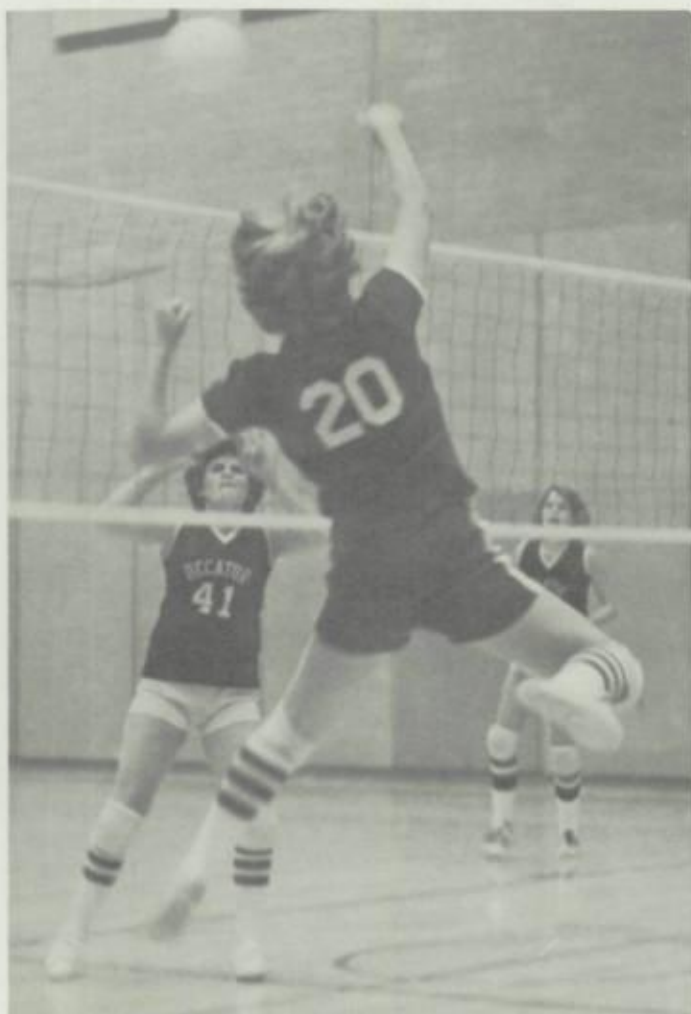

The Raider volleyball team finished this year with varsity winning 4 games and losing 7. The junior varsity team came up with 8 wins and only 2 losses. The team consisted of: Sherry Reese, Chris Blom, Margy Robinson, Debbie Meyers, Julie DeVane, Peggy Halwachs, Lisa Hackett, Kyla Oliver, Lolly Hayashi, Cindy Gibson, Cindy Akre, Chris Leverenz, Lani Dorn, Shelly Pond, Laura Ascherman and Sonya Sanner. "Our record was not indicative of our team's achievements. Most of our matches consisted of three games and the scores were within 2 points." Quoted by their outstanding coach Miss Nancy Thompson.

"Now where did I put those band-aids?"

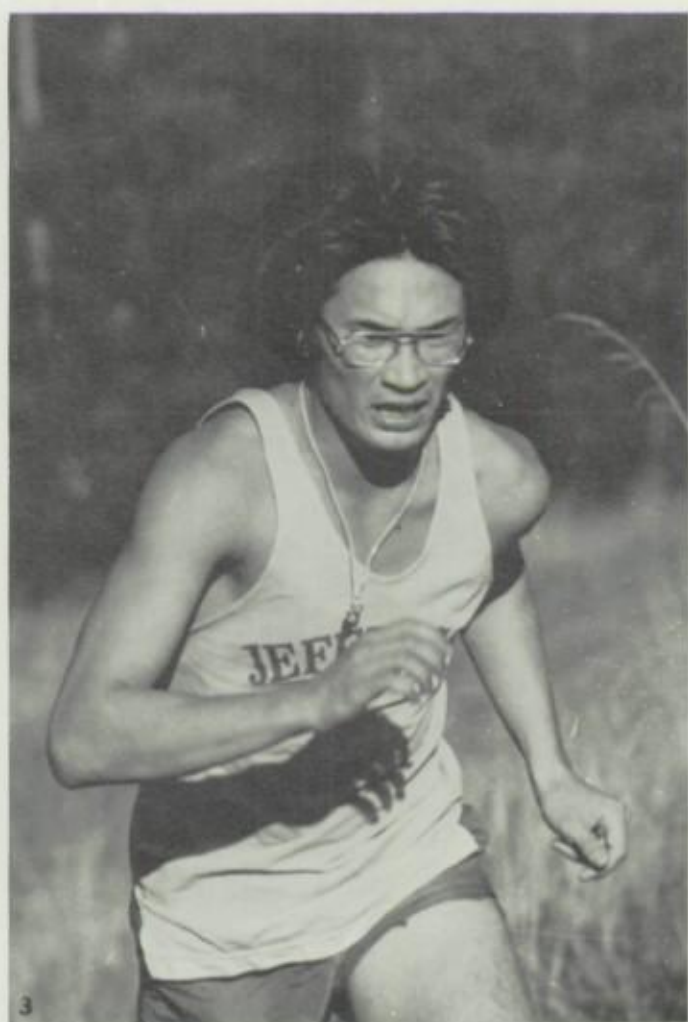

# Cross Country . . Kickin' Up Their Heels.

The Raider cross-country team, coached by Mr. Bill Hansen, finished with a 2-4 record this year. Their victories came over Bethel and Decatur; they ended the season seventh in the league of twelve. Grant Rodland set our course record this year of 2.3 miles in 11:52. Mr. Hansen expects a strong team back for next year from the large turnout of Juniors this year. The cross-country members are as follows: Kyle Finn, Nick Marcelja,

Greg Sargent, Erik Peterson, coach Bill Hansen, Bryan Johnson, Scott Neilson, Dave Schrup, Jon McAurther, Grant Rodland, Tony Schoeler. Not pictured are Steve Mason, and manager Kathy Simon. 1. Agony of "da feet." 2. "Easy stridin' Raider." 3. "Steve Mason jetting for the finish." 4. "Jefferson in front from the start." 5. "Downhill racers." 6. "Coach Hansen heading warm-ups."

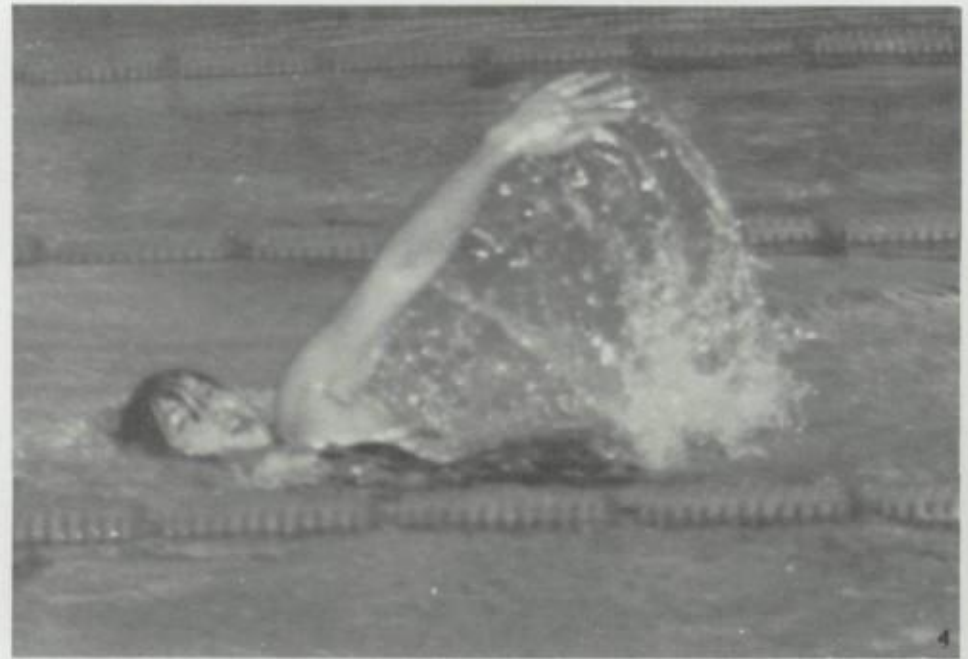

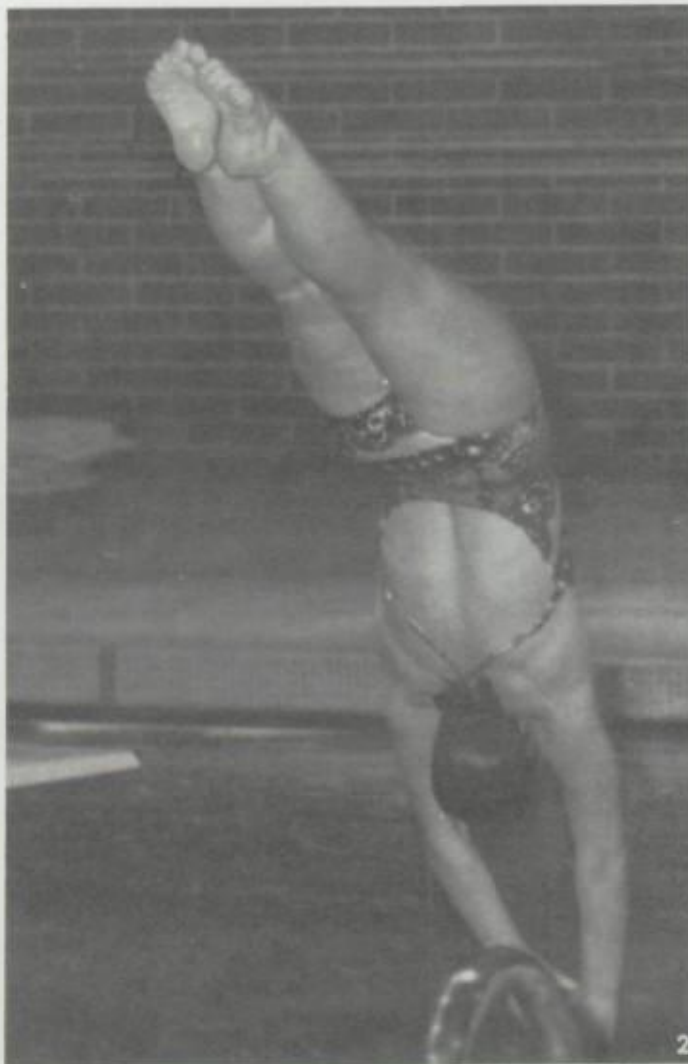

# Small Team — Big Effort!

(1) Janine Hardin discusses a meet with other swim team members. (2) Karen Pelkey shows good diving form. (3) Girls study the performances of other swimmers. (4) Chris Hardy pushes on to the finish in a breast stroke. (5) and (7) Teammates show their support for swimmers in competition. (6) Coach Bacon gives Karen Pelkey tips on diving.

This year's swimmers have worked hard and have a lot of pride in their team regardless of their 1-7 record. Karen Pelkey made a great victory in setting a new school record in the 100 yd. back stroke. The girls had fun this season and have a positive outlook for the future, stated Coach Bacon. He would like to see more girls joining the team and competing for our school in the future. The team members are, from the top row: Deanna Crabtree, Kathy Smith, Chris Hardy, Janine Hardin. Bottom row: Lori Cole, Karen Pelkey, Coach Bacon, Tina Williams, and Debi Rancore.

# Raider Putters.. Look Mean on the Green

"Although the Raider golf season got off to a slow start, the win against Rogers seemed to be the turning point of the season," boasted golf coach Mr. Ed Erikson. The Raider men who make up the golf team are: Greg Beckel, Greg Moon, Paul Savage, Kerry Farrell, Randy Morris, David Ott, Harry Ableman, Craig Klotz, Greg Nelson, and Chris Naylor. The outstanding golfer of the year is Greg Beckel, senior, and the two most improved players are Kerry Farrell and Randy Morris, who are

also seniors. Next year the golfers are looking forward to a good season. The junior varsity team consists mainly of juniors who will be returning next year. One outstanding junior is David Ott, who participated with the varsity players.

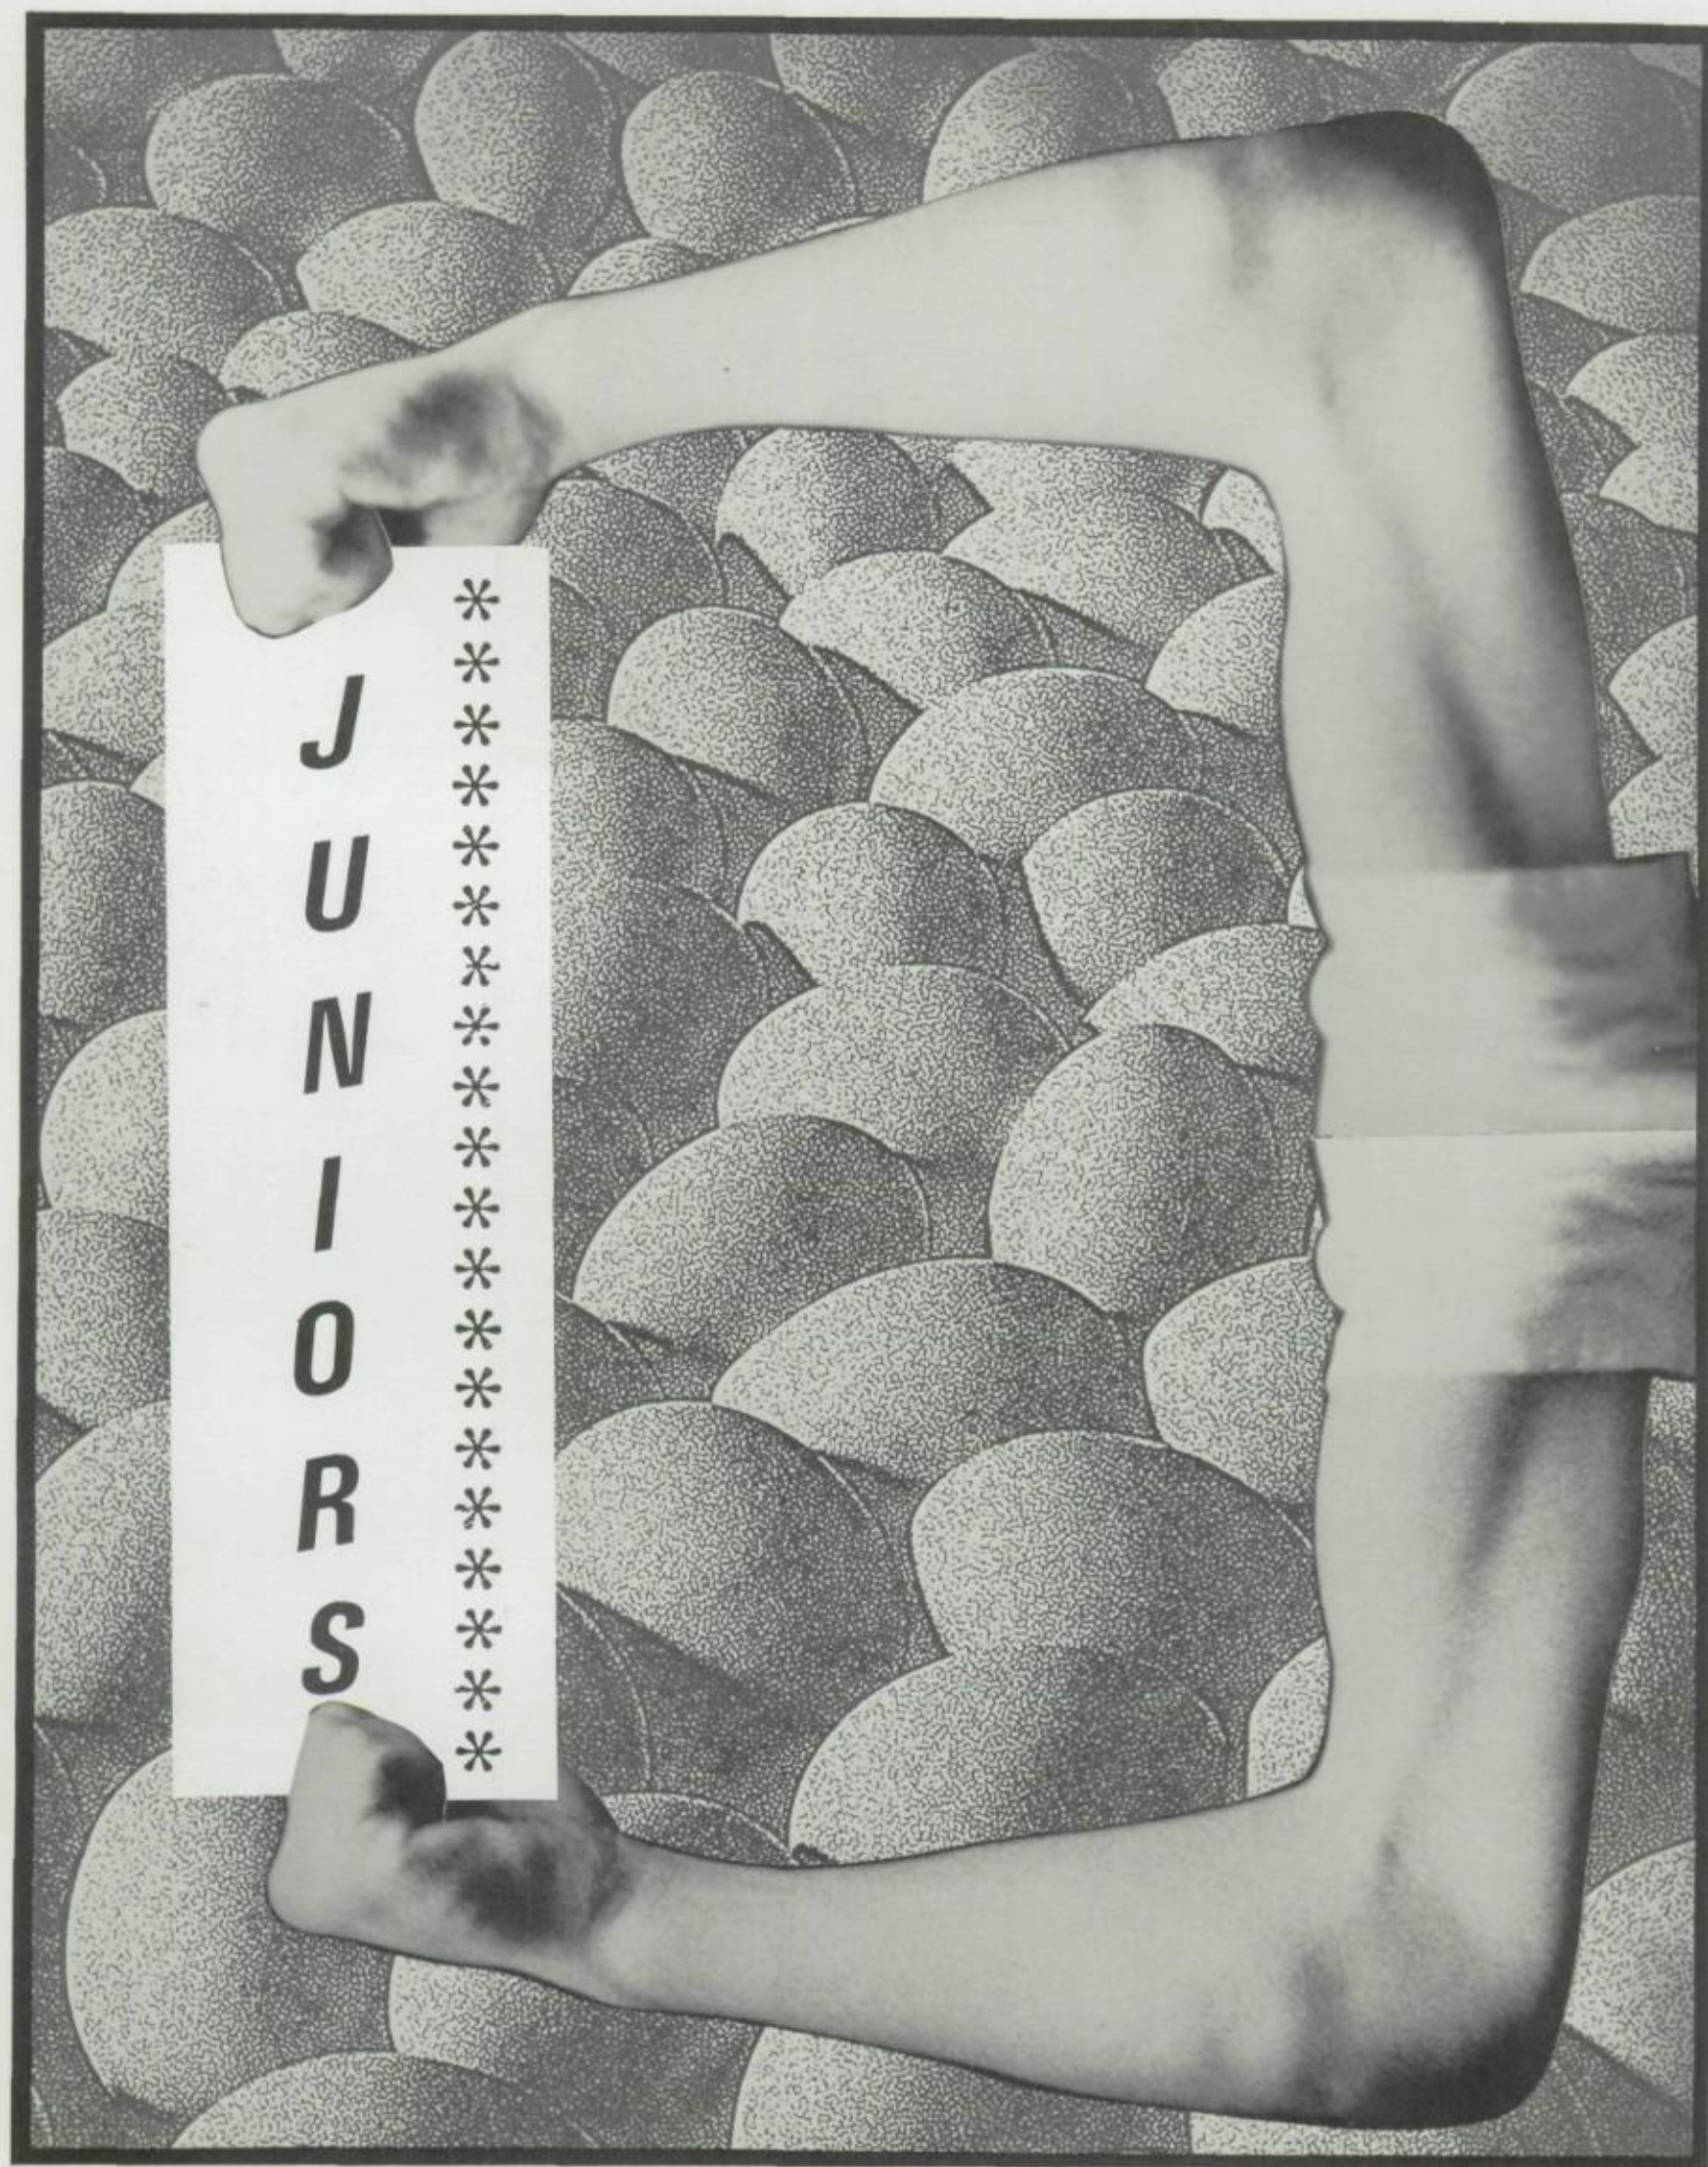

Kneeling is coach Ed Erikson and team members from left to right are: David Ott, Greg Beckel, Paul Savage, Chris Naylor, Randy Morris, Craig Koltz, and Greg Nelson.

# Raiders Use Height In A Mental Game

Back Row: Kevin Waltari, Keith Ray, Scott Warnock, Ken Warnock, Tony Willis, Keith Paulson. Front Row: Mike McCauley, Tony Schoeler, Coach Erikson, Frank Jones,

Greg Beckel, Bob Bolam. Below: Go! Fight! Win! Mighty Raider Mike, Kevin, and Scott.

Using the height that made them one of the tallest teams in the SPSL, the 1977-78 boys' basketball team worked to a winning season. Starting the season off with four straight league victories brightened Coach Ed Erikson's hopes.

The games that were lost this season could probably be attributed to the team's lack of mental toughness. The whole school gained honor from being represented by this year's team. Every member of the team was a hard worker with a good attitude and good basketball skills.

# J.V.'s New Season

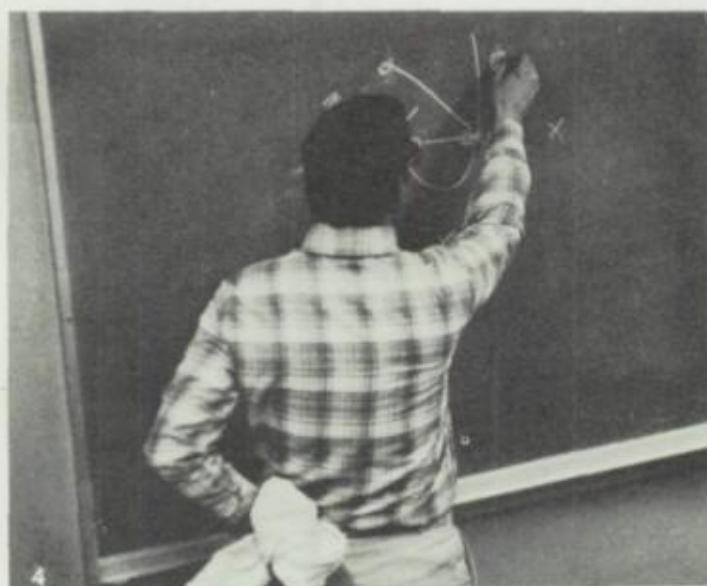

J.V. Basketball started with a young and inexperienced team, Coach Hansens J.V. Basketballer's came on at the end of the season to play some very fine basketball. Although outmanned several times, the J.V.'s always hussled and never gave up. With the valuable experience

and desire gained this year, these men should be able to step into next year's varsity. (2) Jeff McCauley and Brad Sanner hussling back on defense. (3) Keith Paulson No. 50 throws a pass. (4) Ken Warnock No. 42 tips off to the Raiders.

## Experience Drives '78 Girl's Basketball Team To A Winning Season

Pictured from left to right are coach Sam Mitchell, Kris Volquardson, Lisa Hackett, Peggy Halwachs, Teri Love, Patty Manning, Shelly Morison, Margy Robinson, Wendy Lowe,

Assistant coach Dave Hunter, second row: Sonya Sanner, Laura Ascherman, Chris Leverenz, Edie Preston, Lolly Hayashi, Bonnie Nygren, Linda Lynch and Janet Selander.

Quoted from their outstanding and inspirational coach, Mr. Sam Mitchell, "The most consistent players were Shelly Morrison and Patty Manning. While our best offensive player was Patty Manning and best rebounders were Shelly Morrison and sophomore Peggy Halwachs. The most improved player award goes to Chris Leverenz." The non-league scores this year were 3 wins and 1 loss. League game standings consisted of 4 wins and 12 losses.

2. Mitchell directs concentrated efforts.
3. Morrison blocking the opposition.
4. Now is the time for women in sports.
5. Robinson holding the court.
6. Margy shoots for two.
7. Mitchell and company.

This season the girls basketball team had experience on their side. All the girls put forth their fullest effort in making the 1977-78 team the best in the history of Thomas Jefferson. "It was a good first half of the season as we won 6 out of 10 before losing Kyla Oliver and Lisa Hackett for the remainder of the season. Which was frustrating in the last 10 games since 9 of them were decided in the last minute of the game. I see alot of promise for the girls in the nest two years if they improve as much as they have this year. We have many juniors and seniors returning!"

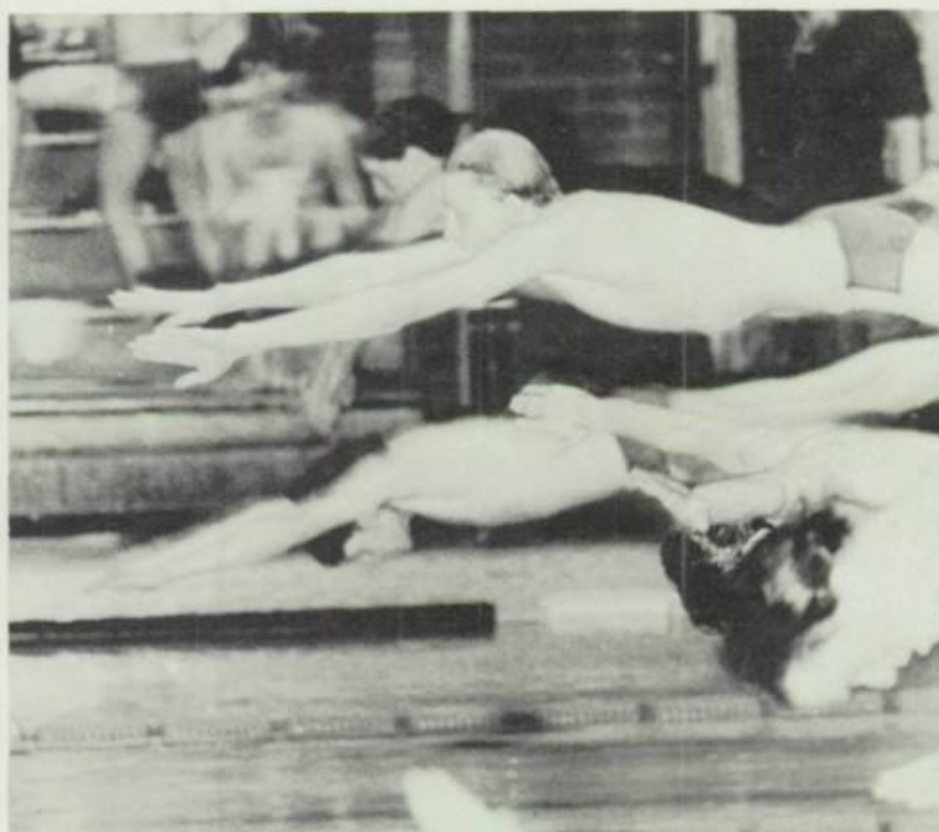

# Team Satisfied With '78 Season

Garmin, Mark Richmond. Bottom row from left to right are: Rob Madden, Brad Robertson, Don Osborne, Sean Laycock, Roger Pettibone, Coach Dick Bacon.

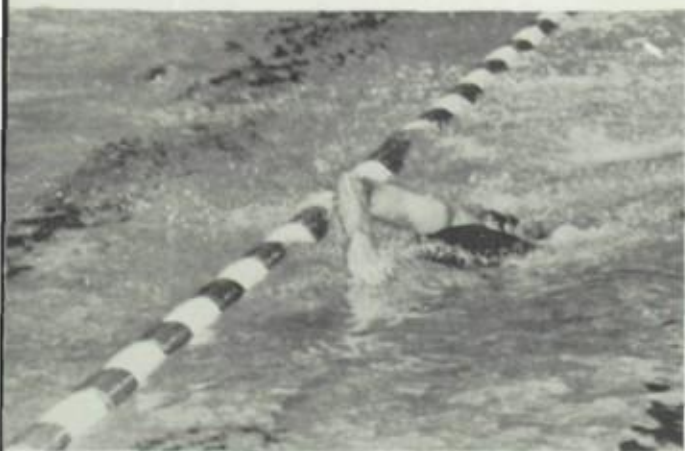

"In comparison to swim teams of the past the 1978 team has a better attitude and the men are harder working. I'm very pleased and happy with the season," exclaimed Raider swim coach Mr. Dick Bacon. The team concluded their season with four wins and eleven losses. The best meet of the season was against Tyee. Thomas Jefferson won that meet 85-83. The active swimmer consist of one freshman, four sophomores, six juniors and two seniors. Jim Britt, a junior, is the swim team captain.

 Dan Hyde

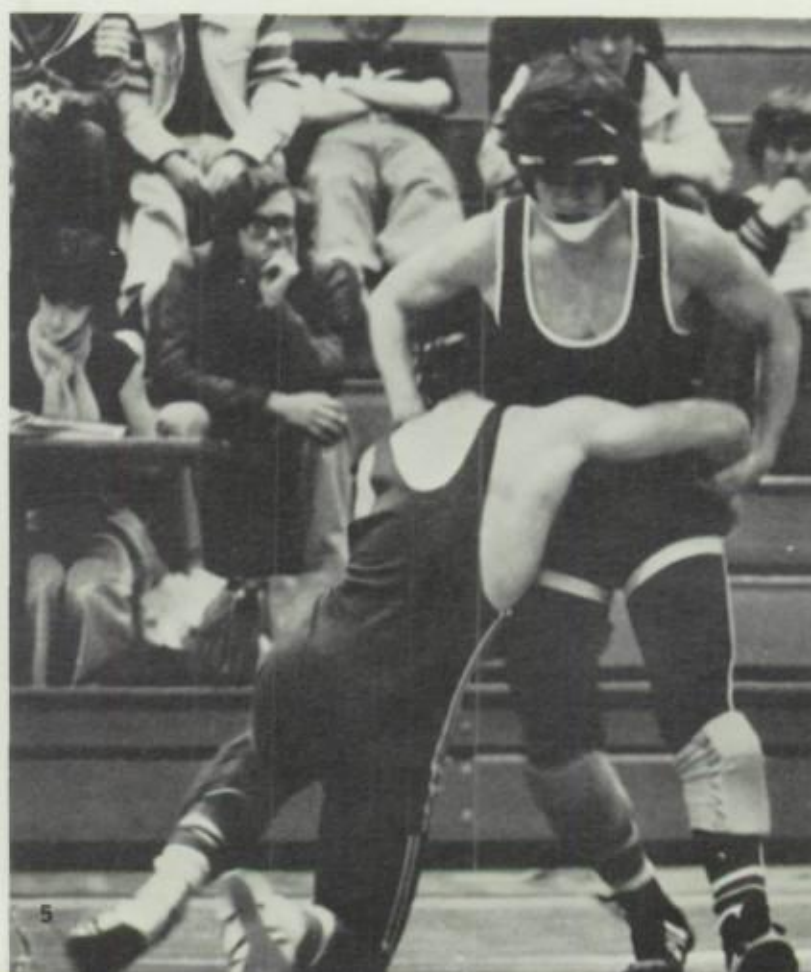

This year's wrestlers worked very hard to reach goals that they had set for themselves. Even though their win-loss record was not outstanding, they kept working towards those goals without giving up. "The wrestlers took on a positive outlook and knew that nothing could limit them in reaching their set achievements," stated our new coach, Pat Sencenbaugh. "I enjoyed working with the members of the wrestling team very much." This year's most outstanding wrestlers were: Al Compos, 115 lbs.; Albert Koszarek 148 lbs.; Jeff Sippy, 158 lbs.; Bruce Henderson, 168 lbs.; and Brian Ross, 178 lbs. They had the best win-loss records and had the best execution of their wrestling moves.

# "TJ Gymnastics Go For It!!"

This year the TJ gymnastics team was composed of 25 seniors, juniors and sophomores. The girls worked a hard season, but came out lower than was to be expected in overall team standings. This was due to the fact that the team was relatively young and many gymnasts lacked the needed experience. Coach Debbie Hunter and assistant coach Dori Lee were a tremendous help all season long. Captain Lani Dorn led the team, and, with the experience the girls gained this year . . . next year's team should be SUPER!

*"Still Crazy, Still Crazy"*

*"Still Crazy After All These Years"*

Camp Waskowitz is found somewhere between North Bend and Snoqualmie Pass, it is one of the most popular and beautiful camps in the northwest! This year it was the sight of Jefferson's annual Leadership Camp, where about 50 students and teachers spent a glorious two sunny days in the wilderness. But the majority of the time was spent indoors doing exercises like Mr. Ingraham's relaxation session, and watching skits performed by councils and the J.C.'s. Everyone who went seemed to have a good time, and it brought people closer together. The goal was to solve problems here at school, as is the goal every year. The highlight of the weekend was not the many choruses of "Father Abraham," or the food, but neither of those were too bad. All in all, with the beautiful weather, and the two tame deer, and those terrific skits, the camp was a success. 1. The great pyramic. 2. Wendy Pond—"Snoozin' in the sunlight!" 3. Science and technology have reached the stage where the next logical step is outward. As Mark Twain quoted an old Mississippi River pilot on a great technical advance of another day: "When it's steamboat time, you steamboat." ... Now, it is space time."

# DECA

## “Developing Future Leaders for Marketing and Distribution”

The Distributive Education program offers the student part-time, on the job training that prepares him for a career in wholesale and retail merchandising, marketing and distribution. It educates him for many

career possibilities in the field of business. The system is designed to better acquaint the student with the business world and to help him to pinpoint a branch in the business area that he may be interested in going into.

Debi is an active member of DECA (Distributive Educations Clubs of America), and she is also her chapter secretary. Debi says she thinks that "being in DECA is a great experience and opportunity to gain leadership qualities. Debi ran for the state office of secretary at

the Governor's Conference in Olympia. Running under the slogan, "Ditto I'm for Debi," Debi was elected to the office of state secretary (W.S.D.E.C.A. Sec.). The first state officer in Jefferson's 10 year history.

The Deca Marketeers are as follows: Barb Nielson, Christie Nevin, Colette Bogert, Lori Williamson, Melinda Custer, Denise Lebbern, Lori Henry, Duane Hansen, Miss Callow, Pam

Coogan, Phylis Houston, Debi Rancore, Sue Creson, Michelle Harnish, Tara Braunagel, Jeff Leach, Nancy Tharp, Tony Schoeler, Kay Elms.

# T.J. Art Survives

The Art program this year was cut down to one teacher. The student enrollment has far exceeded Mr. Shafer's expectations. Art is still an impossible elective to get into as a sophomore. However, with computer registration more sophomores may be able to get in. Classroom space is crowded with an average of 35-40 students. In spite of lack of space and equipment in need of much repair, the Art Department still provides a number of exciting experiences and lots of information for students.
